Smallwood, Thomas A. Jennings, 2014-12-08 New research and the discovery of multiple archaeological sites predating the established age of Clovis 13 000 years ago provide evidence that the Americas were first colonized at least one thousand to two thousand years before Clovis These revelations indicate to researchers that the peopling of the Americas was perhaps a more complex process than previously thought The Clovis culture remains the benchmark for chronological technological and adaptive comparisons in research on peopling of the Americas In *Clovis On the Edge of a New Understanding* volume editors Ashley Smallwood and Thomas Jennings bring together the work of many researchers actively studying the Clovis complex The contributing authors presented earlier versions of these chapters at the Clovis Current Perspectives on Chronology Technology and Adaptations symposium held at the 2011 Society for American Archaeology meetings in Sacramento California In seventeen chapters the researchers provide their current perspectives of the Clovis archaeological record as they address the question What is and what is not Clovis PC Mag , 2004-10-05 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology Computer, Communication, and Signal Processing.
