INTRODUCTION NOTES

- The manual is divided into sections identified by two figure numbers and each section has independent page numbering.
- The different sections can read or be read by consulting the table of contents in the following pages.
- The document number of the manual and the corresponding table are given at the bottom of each page.
- Pages numbered in the back of the identifier have the same document number followed by an additional digit that refers to the manual version (T5030000 - for pages T5030001 - the codes T5030002 - etc.). The additional digit identifies or supplements the pages of the document version for information necessary to the operator for safety or operating aspects, given in the last page of the update.
- The publication will be complete with an appropriate code.
- It is necessary to know the last update because this edition could have document number T5030000, the changes for the manual in comparison of the document version T5030000 included with all the updates for pages T5030001 - the pages T5030002 - etc.
- The information contained in the manual was compiled on the date printed on each section. An update will be issued to inform you of product change. Some information may be out of date subsequent to modifications implemented for technical or commercial reasons or to meet legal requirements in different countries.
- In the event of conflicting information, consult the NEW HOLLAND Sales and Service Department.

IMPORTANT WARNINGS

- All maintenance and repair work described in the manual should be performed exclusively by NEW HOLLAND service technicians in strict accordance with the instructions given and using the specific tools necessary.
- Always performing the operations described herein without strictly following the instructions is personally responsible for any material loss or damage to property.
- The Manufacturer and all representative companies in the Manufacturer's distribution network, including but not limited to national, regional or local distributors, will accept no responsibility for personal injury or damage to property caused by abnormal function of parts and/or components not approved by the Manufacturer, including those used for replacement or repair of the product manufactured or replaced by the Manufacturer.
- In any case, the product manufactured or marketed by the Manufacturer is covered by the guarantee of the Manufacturer and/or its distributor. Any damage to property or damage to property caused by abnormal function of parts and/or components not approved by the Manufacturer.
