Catalog of Copyright Entries Library of Congress. Copyright Office,1959 **A Message To All From My Father**
Andrew Potter,2020-11-15 I wrote my story as a testament to the one true Father the Almighty As well after finishing it something has stayed on my heart to dedicate it to an old coworker of a job long past her name is Laura At night she and I worked together as bakers She asked me How do I know there is a God If she reads this book she ll know what I know and that is in my opinion it is true that the Lord lives The first time she asked me I don t believe I gave her a concrete answer I know my book spells it out from the first word to the last because this is his work I m his work so this is our story Ever since I found the importance of prayer I ve asked my Father to use me as an instrument to help others This is a prayer I have prayed and will continue to pray every day of my life I ve always wanted to help the many as well as my coworker Laura So Laura if you read this book I hope you really receive the message that the Lord is real because this is a message to all from my Father that he is real **Burner Account** L.A. Witt,2023-11 Isaiah Cole escapes his everyday life as a schoolteacher by debating and trash talking online under a fake name For the past four years his internet persona has been getting closer and closer to another user They re friends and there s even a little flirtation now and then but the guy doesn t know Isaiah s real name and they ve never seen each other s faces Until now Of all the men who could be behind his friend s avatar Isaiah is stunned to learn he s been chatting with Tanner Jeffries a jaw droppingly gorgeous forward from his favorite hockey team As soon as they re face to face the chemistry is off the charts They re as inseparable in person as they are online and their only regret is not doing this sooner But eventually the novelty is going to wear off And when it does How much can a broke overweight average Joe actually offer a hot rich younger athlete Burner Account is an approximately 80 000 word standalone M M hockey romance CW discussions of school shootings active shooter drills **Catalogue of Copyright Entries ...** Library of Congress. themselves nor should they be deciding on how to prosecute its own members did not sit well with his superiors He was terminated when he refused to take a position that would trap him within that false framework In *The Unknown Target of Life Experiences* Thompson tells how his life spiraled downward into a dismal hopeless existence following that fateful day when he left the police for good For seven long years he struggled with health problems depression paranoia and PTSD due to the experiences he encountered there all due to the actions of his superiors and colleagues not the crimes and disturbing events he witnessed regularly on the job Listening to his intuition the core stimuli noise from the brain enabled him to gradually begin to trust himself and others once again In this book Thompson tells how he found his way out of the darkness to rebuild his life

I Would Do It Again - Perhaps Simon Glustrom, 2000-10-05 Before packing away his robes Simon Glustrom was a practicing rabbi for forty three years One of the compelling reasons for deciding to write a memoir was in response to the endless variety of questions about the interior life of a rabbi Who influenced him to enter the rabbinate Can a rabbi have religious doubts and still be true to his calling Would he repeat such a rigorous life if he knew from the beginning the demands that would be made upon him This book provides the reader with some uncommon answers The author does not hesitate to reveal some of his lingering doubts regrets and fears even as he refers with pride to his skills and strengths Rabbi Glustrom reaches back to his early youth in Atlanta He recalls some of the unheralded personalities who influenced him during his most impressionable years and impacted on his life in college in rabbinical school and in the broader community The author feels the need to sing on behalf of his unsung heroes Much of this memoir deals with the human and spiritual problems the author encountered in a new suburban congregation in Fair Lawn New Jersey where he served as the first rabbi Nostalgically he recalls those pioneering years in the Fifties and documents some of the monumental changes that took place over four decades including some of the unresolved crises such as the problem of egalitarianism in synagogue life Clergy and lay people will identify with much of the rich anecdotal material from the humorous to the pathetic that is so candidly expressed in this memoir
