Nigeria's Soldiers of Fortune Max Siollun,2019-09-01 In the cataclysmic decade that is the focus of this book Nigeria was subject to several near death experiences These began when the country nearly tore itself apart after the northern led military government annulled the results of a 1993 presidential election won by the southerner Moshood Abiola and ended with former military ruler General Olusegun Obasanjo being the unlikely conduit of democracy This mini history of a nation s life also reflects on three mesmerizing protagonists who personified that era First up is Abiola the multi billionaire businessman who had his election victory voided by the generals who made him rich and who was later assassinated General Sani Abacha was the mysterious reclusive ruler under whose watch Abiola was arrested and pro democracy activists

including Abiola's wife were murdered. He also oversaw a terrifying Orwellian state security operation. Although Abacha is today reviled as a tyrant, the author eschews selective amnesia, reminding Nigerians that they goaded him into seizing power. The third protagonist is Obasanjo, who emerged from prison to return to power as an elected civilian leader. The penumbra of military rule still looms over Nigeria nearly twenty years after the soldiers departed, and key personalities featured in this book remain in government, including the current president.

Research in African Literatures, 1973 **Current Issues in Nigerian Educational System** Felicia Onyemowo Agbo, 2004 Survey of Current Affairs, 1975 *Public Broadcasting in Africa Series* Akin Akingbulu, 2010-12. This report on the broadcast media in Nigeria finds that liberalisation efforts in the broadcasting sector have only been partially achieved. More than a decade after military rule, the nation still has not managed to enact media legislation that is in line with continental standards, particularly the Declaration on Freedom of Expression in Africa. The report, part of an 11-country survey of broadcast media in Africa, strongly recommends the transformation of the two state broadcasters into a genuine public broadcaster as an independent legal entity with editorial independence and strong safeguards against any interference from the federal government, state governments, and other interests. The report was written by Mr Akin Akingbulu, Executive Director, Institute for Media and Society (IMS) Nigeria.
