

NIGHT STUDY GUIDE

"Night is Elie Wiesel's masterpiece, a candid, horrific, and deeply poignant autobiographical account of his survival as a teenager in the Nazi death camps. Elie reflects on the enduring importance of faith and his lifelong, passionate dedication to ensuring that the world never forgets man's capacity for inhumanity to man."

"Night offers much more than a litany of the daily terrors, everyday perversions, and rampant sadism at Auschwitz and Buchenwald; it also eloquently addresses many of the philosophical as well as personal questions implicit in any serious consideration of what the Holocaust was, what it meant, and what its legacy is and will be." —Amazon.com

"However painful this autobiographical work is to read, Night is a testament to memories, wounds and losses. Each chapter raises questions that have haunted the world since Hitler's rise: How could the world allow such a staggering number of innocents to be persecuted and executed? Why does one man survive when his body, mind and spirit are brutalized for months, even years, when his neighbor does not? Night is essential reading for anyone seeking a deeper understanding of the Holocaust and the legacy left behind" —Oprah.com
