

# Night chapters 1 & 2

## Personal response

The locals regard Moishe the Beadle as an outcast because of his treatment. He no longer receives the respect he once did. After escaping the Nazis' plan to exterminate all foreign Jews, he tells others about what happened and warns them to be cautious. But no one pays attention. They should have consoled Moishe and supported him through this.

### Question 1

Wiesel's group is deeply devout and compassionate toward the needy. Elie considers himself to be in the home of learning, and he studies the Kabbalah.

### Question 2

All foreign Jews were deported, they were moved into ghettos, there were special meetings, and a person went to Budapest and saw that all the Jews were in ghettos, according to certain reports. The people of Sighet did not feel they were in danger since they believed their town was so far away that they would be unaffected and that the Germans were so good to them.

### Question 3

80 people jammed on a cattle vehicle with minimal food and water  
Madame Schächter's behavior in detecting the approaching fire was met with gagging, restraining, and beatings by the Jews.  
When things don't go as planned, human nature indicates that all morality are thrown out the window.

### Q4

She had visions and kept describing "flames" and a "big fire" to everyone. Her shouts were not reassuring because the train was hot and stuffy. Everyone saw fire and flames when they arrived at Auschwitz-Birkenau.

### Q5

.It's possible that you have no idea what's going on. Today, however, concealing the Holocaust would be extremely difficult. Such catastrophic calamities are always publicized on the Internet, making it hard for the rest of the world to

## **Night Responding Chapters 1 2 Answers:**

**Salvation Manual** Nsikan E. Johnny, 2024-07-25 Salvation Manual Bible Made Easy through Questions and Answers for the book of Genesis is one of several books in the Salvation Manual Bible Made Easy through Questions and Answers series. Like other books in the series, it adopts a questions and answers pattern in identifying and breaking down biblical truths in a way that will be easily understood and internalised. In a spectacular method of using questions and answers, it unravels every message, event, and character from all the chapters in the book of Genesis. The book consists of fifty chapters, one for each chapter of the book of Genesis. The questions and answers are placed at the end of each chapter to assess the degree to which the reader understands the chapter read, as well as how much of the details of the chapter they retained. The book makes the reader study every chapter of the book of Genesis in two directions: the forward and reverse directions. The chapter of the book of Genesis at the beginning of each chapter of this book is the first point of contact for the reader, which they have to read and understand what is contained in the chapter. After that are questions from the chapter and answers at the end of the questions, with which the reader would test their knowledge of what they had read in that chapter. These questions and answers segment presents the reader with problems which points them back to the Bible for confirmation or further studies. The approach to Bible studies presented in this book is remarkable as it will take its reader a step above regular Bible reading to be fully grounded in the details of the events and messages in the scriptures. The book is a tool that can challenge one's knowledge of the scripture, serve as a Bible study guide, and reveal vital information that might have been overlooked or missed in the course of one's study of the scriptures. **GATE English**
