Night School Genesis Volume 1:

The Secret City C.J. Daugherty, Carina Rozenfeld, 2016-09-01 *The Secret Fire* C.J. Daugherty, Carina Rozenfeld, 2015-09-03

Sacha Winters can't die. Until his eighteenth birthday, he is invincible. On that day, it all ends for Sacha: the result of a curse that has plagued his family for centuries. His death will fulfil the curse and unleash a wave of destruction. He has no idea how to stop it, only the cryptic notes left behind by his father and a strange connection with a girl he has only just met to guide him. Taylor Montclair is a quiet, studious girl focused on her dream of getting into Oxford University. She is also the only one who can save Sacha. Only neither of them knows that yet. And Sacha lives hundreds of miles away in Paris. Taylor and Sacha have eight weeks to find each other. To unravel the secrets buried in their families' past. And to discover the power that lies within them. Sacha's life and the fate of the world depends on it. The clock starts NOW. What readers are saying about *The Secret Fire*: Pure awesome. There were moments when I laughed, moments where I gasped in surprise, and moments where I knew I could not read fast enough because I had to know what was going to happen next. My only complaint: That it ended and now I need to wait. I must know what happens next. I must. Series Tracker: Are you ready for a grip the edge of your seat, repeating mantra of OMG as you turn the pages eagerly, looking for something with intensity but also something that leaves you begging for more? Looking for a new fav? YES. This book is all of what you need and so much more. Go Into This One Knowing Best Book Ever. Crossroad Reviews: This was incredible, such a slow burn romance, but the build up had my heart beating out of my chest; the angst and suspense was killing me. This book was perfectly paced and the lack of info dumping, love triangles, and insta love made for a perfect start to a new series. Switching from POV's from England and Paris and following the characters as they go from across countries was a great concept. With the addition of magic, action, and adventure, this book could really do no wrong in my eyes. There isn't a cliffhanger ending, just the promise of lots more to come in the next installment, which I'm now anxiously awaiting. I highly recommend this to fellow fantasy lovers who are looking for a brand new world to immerse themselves in, with great characters, a promising romance, and a thrilling journey ahead. Literary.ly Obsessed: I love this book. It was really great. I've always loved books that include Alchemy as its major fantasy core. I just think that it's such a fascinating science. I read the first chapter and I was completely swept into this amazing world. Can't wait until the second book comes out and to continue exploring this amazing story. Just Another Bookish Blog: Thrilling and exciting all at the same time, an excellent paranormal fantasy, such an amazing story. Telling Books at Dawn:
