Superintendent of Documents,1979 **The Global Corporation** Laura P. Hartman,Patricia H. Werhane,2013-12-19 This text brings together case studies focusing on specific instances of corporate best practices All too often we showcase cases based on questionable or unethical corporate behavior Instead the editors bring together in this book examples of how some firms got it right Certainly there is no claim that the companies in these case are perfect some of them may have histories that include questionable practices But these are companies that work to foster trust both internally and in their relationships with customers suppliers shareholders and the communities in which they operate The book is not however merely a descriptive iteration of effective corporate conduct The editors conclude with an analysis of frameworks for corporate and managerial ethical decision making frameworks that help to establish models for best practices These frameworks then can be generalized and applied to other corporate situations and replicated by other companies in their search for excellence and the resulting avoidance of misconduct **Standard Characteristics (dimensions, Weight, and Cube) for Transportability of Military Vehicles and Other Outsize/overweight Equipment (in TOE Line Item Number Sequence).** ,1999 **Handbook of the International Political Economy of Production** Kees van der Pijl,2015-01-30 This Handbook provides a state of the art overview of the
