Hitchcock's Motifs Michael Walker, 2005 Among the abundant Alfred Hitchcock literature Hitchcock's Motifs has found a fresh angle Starting from recurring objects settings character types and events Michael Walker tracks some forty motifs themes and clusters across the whole of Hitchcock's oeuvre including not only all his 52 extant feature films but also representative episodes from his TV series Connections and deeper inflections that Hitchcock fans may have long sensed or suspected can now be seen for what they are an intricately spun web of cross references which gives this unique artist's work the depth consistency and resonance that justifies Hitchcock's place as probably the best known film director ever The title the first book length study of the subject can be used as a mini encyclopaedia of Hitchcock's motifs but the individual entries also give full attention to the wider social contexts hidden sources and the sometimes unconscious meanings present in the work and solidly linking it to its time and place

Three Campaigns With the Allies to Peking By Conduct and Courage Short Stories Historical Works McClure's Magazine, 1898 **Strand Magazine**, 1911 The Strand Magazine George Newnes, 1911 *The Dash for Khartoum: A Tale of the Nile Expedition* G. A. Henty, 2019-11-25 In *The Dash for Khartoum: A Tale of the Nile Expedition* G. A. Henty weaves a gripping narrative set against the backdrop of British imperial ambitions in the late 19th century. Through vivid characterizations and an engaging first person perspective, Henty immerses readers in the harrowing journey of British adventurers amidst political turmoil and dangers along the Nile. The novel's literary style reflects the adventure genre's typical exuberance, filled with detailed descriptions of landscapes and battle scenes capturing the era's spirit while addressing broader themes of duty, heroism, and sacrifice. G. A. Henty, a prolific author and war correspondent, drew from his extensive travels and firsthand experiences during significant military events to inform his writing. His involvement in the Crimean War and attendance at various battles deeply influenced his portrayal of heroism and the moral complexities faced by soldiers. Henty's work reflects Victorian ideals of masculinity and courage, often employing historical events to entice young readers into understanding the realities of their world. *The Dash for Khartoum* is highly recommended for those interested in historical fiction, colonial narratives, and tales of adventure. Henty's ability to blend historical accuracy with storytelling ensures that this novel remains both informative and enthralling, making it an essential read for anyone intrigued by the exploits of British imperialism or the exploits of the Nile Expedition.

The Selected Works of George Alfred Henty George Alfred Henty, You may be told perhaps that there is no good to be obtained from tales of fighting and bloodshed; that there is no moral to be drawn from such histories. Believe it not: War has its lessons as well as Peace. You will learn from tales like this that determination and enthusiasm can accomplish marvels; that true courage is generally accompanied by magnanimity and gentleness; and that if not in itself the very highest of virtues, it is the parent of almost all the others, since but few of them can be practiced without it. The courage of our forefathers has created the greatest empire in the world around a small and in itself insignificant island; if this empire is ever lost, it will be by the cowardice of their descendants. At no period of her history did England stand so high in the eyes of Europe as in the time whose events are recorded in this volume. A chivalrous king and an even more chivalrous prince had infected the whole people with their martial spirit, and the result was that their armies were for a time invincible, and the most astonishing successes were gained against numbers which would appear overwhelming. The victories of Cressy and Poitiers may be to some extent accounted for by superior generalship and discipline on the part of the conquerors; but this will not account for the great naval victory over the Spanish fleet off the coast of Sussex, a victory even more surprising and won against greater odds than was that gained in the same waters centuries later over the Spanish Armada. The historical facts of the story are all drawn from Froissart and other contemporary historians, as collated and compared by Mr. James in his carefully written history. They may therefore be relied upon as accurate in every important particular.

Geography of British Columbia Brett McGillivray, 2011-11-01 Why is British Columbia unique within Canada?

What are the physical processes that have made this province so rugged and that have produced such wonderful variation in climate and vegetation Why did non Natives come to British Columbia and what impact did they have on First Nations Why were there so few treaties in this province Why did so many Asians come to this province and then leave for other parts of Canada or return home How were resources developed in the past and how are those resources developed today British Columbia has a rich and varied resource base Forestry fishing mining energy agriculture and tourism are discussed in terms of their physical characteristics historical development and present day importance to the province For many of these resources the legacy of exploitation and poor management has been the basis of present day crises Other resources such as tourism are steadily increasing bringing employment and growth to some regions more than others and often running into conflict with the long established extractive industries The book is divided into two parts The first focuses on processes of change and development to the landscape and the people of British Columbia and examines natural hazards physical processes European historical geography First Nations peoples and Asian immigration The second part contains a detailed examination of the economic geography of the province as well as addressing the present day issues of urbanization economic development and resource management

The Dash for Khartoum George Alfred Henty, 1892 *A Fairly Honourable Defeat* Iris Murdoch, 2001-03-01 An exploration of love and its excesses missteps and modest triumphs from the Booker Prize winning author of *The Sea* The Sea In a dark comedy of errors Iris Murdoch portrays the mischief wrought by Julius a cynical intellectual who decides to demonstrate through a Machiavellian experiment how easily loving couples caring friends and devoted siblings can betray their loyalties As puppet master Julius artfully plays on the human tendency to embrace drama and intrigue and to prefer the distraction of confrontations to the difficult effort of communicating openly and honestly For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

The Secret Life of Movies Jason Horsley, 2009-10-21 Film blurs the line between myth and reality better than any other artistic medium one could argue Using movies to explore the unconscious realms of society in order to reach a better understanding of what drives it this book examines filmmakers and films that center on schizophrenic themes of alienation paranoia breakdown fantasy dreams dementia and violence and that address as entertainment the schizophrenic experience The loss of individual identity as reflected in the films is investigated as well as the shamanic potential inherent in the broader theme

The Poems of John Cleveland John Cleveland, 1911 **Blackthorn Farm** Arthur Applin, 2021-05-18 In *Blackthorn Farm* Arthur Applin intricately weaves a gripping narrative that explores the complexities of rural life intertwined with themes of resilience and community Set against the backdrop of a picturesque English countryside

the novel employs a rich descriptive literary style that immerses the reader in the sights sounds and emotions of farm life Applin s evocative prose captures the beauty and brutality of nature as well as the delicate balance between tradition and modernity making it a poignant addition to contemporary rural literature Arthur Applin a seasoned writer deeply rooted in the pastoral landscapes he depicts draws from his own experiences growing up in a farming community His personal insights and intimate understanding of agricultural issues infuse the narrative with authenticity allowing readers to appreciate the nuances of rural existence Applin s previous works often delve into the human condition making *Blackthorn Farm* a compelling exploration of identity belonging and the bonds forged in adversity This novel is highly recommended for readers who appreciate an immersive storytelling experience that champions the themes of nature and kinship *Blackthorn Farm* is not merely a tale of farming it is an exploration of life s intricate tapestry urging readers to contemplate their own connections to the land and each other

From Judgment to Passion Rachel Fulton Brown, 2002-12-18 Devotion to the crucified Christ is one of the most familiar yet most disconcerting artifacts of medieval European civilization How and why did the images of the dying God man and his grieving mother achieve such prominence inspiring unparalleled religious creativity as well such imitative extremes as celibacy and self flagellation To answer this question Rachel Fulton ranges over developments in liturgical performance private prayer doctrine and art She considers the fear occasioned by the disappointed hopes of medieval Christians convinced that the apocalypse would come soon the revulsion of medieval Jews at being baptized in the name of God born from a woman the reform of the Church in light of a new European money economy the eroticism of the Marian exegesis of the Song of Songs and much more Devotion to the crucified Christ is one of the most familiar yet disconcerting artifacts of medieval European civilization How and why did the images of the dying God man and his grieving mother achieve such prominence inspiring unparalleled religious creativity and emotional artistry even as they fostered such imitative extremes as celibacy crusade and self flagellation Magisterial in style and comprehensive in scope *From Judgment to Passion* is the first systematic attempt to explain the origins and initial development of European devotion to Christ in his suffering humanity and Mary in her compassionate grief Rachel Fulton examines liturgical performance doctrine private prayer scriptural exegesis and art in order to illuminate and explain the powerful desire shared by medieval women and men to identify with the crucified Christ and his mother The book begins with the Carolingian campaign to convert the newly conquered pagan Saxons in particular with the effort to explain for these new converts the mystery of the Eucharist the miraculous presence of Christ s body at the Mass Moving on to the early eleventh century when Christ s failure to return on the millennium of his Passion A D 1033 necessitated for believers a radical revision of Christian history Fulton examines the novel liturgies and devotions that arose amid this apocalyptic disappointment The book turns finally to the twelfth century when in the wake of the capture of Jerusalem in the First Crusade there occurred the full flowering of a new more emotional sensibility of faith epitomized by the eroticism of the Marian exegesis of the Song of Songs and by the artistic

and architectural innovations we have come to think of as quintessentially high medieval In addition to its concern with explaining devotional change *From Judgment to Passion* presses a second crucial question How is it possible for modern historians to understand not only the social and cultural functions but also the experience of faith the impulsive engagement with the emotions sometimes ineffable of prayer and devotion The answer magnificently exemplified throughout this book's narrative lies in imaginative empathy the same incorporation of self into story that lay at the heart of the medieval effort to identify with Christ and Mary in their love and pain
