Prompt: *In 300 words or less, help us understand what aspects of Northwestern appeal most to you, and how you'll make use of specific resources and opportunities here.*

I grew up in a highly diverse neighborhood, and I remember the street being filled with every type of language imaginable. Close to mealtimes, the air would be tinged with scents coming from exotic spices sourced from all over the globe. For me, diversity was a way of life, and it greatly contributed to my education outside of my academic work. I hope to be able to continue expanding my mind and my knowledge through the multicultural offerings at Northwestern University.

I am writing this essay in order to convey my deep interest in all the diverse offerings that Northwestern has to offer. I am interested in the International Relations program, where I will be able to use my diverse upbringing and my understanding of other cultures in order to help mediate decisions for an international audience. The experience that will gain during my undergraduate studies at Northwestern will be a great boon to my future career, allowing me to open my mind to new experiences.

For me, attending a highly diverse campus is an extremely important requirement. The focus that Northwestern gives to its international and multicultural communities sets it apart from other universities. Through celebrating different cultural and religious holidays, to allowing the hundreds of cultural organizations to host parades and activities, I know that I will be able to experience a myriad of different cultures and viewpoints during my time at Northwestern. Through expanding my knowledge and my perspective, I will be able to become a more competent diplomat in the future, using my experience at Northwestern as the cornerstone of my career.
