TIME 3 hours

INSTRUCTIONS TO CANDIDATES

Write your name, Centre number and candidate number in the spaces provided on the answer paper/answer booklet.

There is no restriction on the number of questions which you may attempt.

If a numerical answer cannot be given exactly, and the accuracy required is not specified in the question, then in the case of an angle it should be given to the nearest degree, and in other cases it should be given correct to 2 significant figures.

INFORMATION FOR CANDIDATES

The number of marks is given in brackets [] at the end of each question or part question.

The total number of marks for this paper is 120.

Questions are printed in the order of their mark allocations and candidates are advised to attempt questions sequentially.

The use of an electronic calculator is expected, where appropriate.

You are reminded of the need for clear presentation in your answers.

This question paper consists of 6 printed pages and 2 blank pages.

November 2013 Paper 1:

SSC CHSL (10+2) Solved Papers Combined Higher Secondary 2020 Arihant Experts, 2019-01-16 SSC Staff Selection Commission SSC has released the application form for Combined Higher Secondary Level CHSL It is a competitive examination for the recruitment of Lower Divisional Clerk Junior Secretariat Assistant Postal Assistant Sorting Assistant and Data Entry Operators for various Government of India Ministries Departments Offices The recruitment process for SSC CHSL consists of 3 phases which are tier 1 computer based exam tier 2 written exam and skill test as tier 3 The book on SSC CHSL Online Examination Solved Papers 2019 2019 has been revised consciously and carefully for the aspirants who are preparing for the posts of LDC DEO PSA With the help of this book aspirants can self analyze their preparation and can understand the types of various questions their weightage and the situation of questions quickly that have been asked in the exam Apart from Previous Years Solved Papers the book also provides 3 Practice Sets in the end in order to track their progress record Candidates can also avail the 3 Online Practice Sets for free with this book Packed with a perfect set of practice material it is a must have for anyone who wants to enhance their preparation **TABLE OF CONTENTS** Solved Papers 01 07 2019 Solved Paper 19 03 2018 Solved Paper 18 01 2017 SSC 10 2 Solved Papers 2015 2009 3 Practice Sets **Women and Politics in Contemporary Japan** Emma Dalton, 2015-02-11 This book looks at the gendering of the political system in Japan and the effects of that system on gender equality in national level politics specifically and wider society more generally It examines the approach taken by the long ruling Liberal Democratic Party LDP to issues of gender equality in Japan and the repercussions of that approach on women s political experiences and representation This book covers a range of themes including the role of the LDP and other major political parties in constructing the modern Japanese political system the under representation of women in Japanese politics women s experiences in party politics and the gendering of government policies Using in depth interviews with women members of the national Diet the book sheds light on how political women negotiate the male dominated world of Japanese politics **The European External Action Service** David Spence, Jozef Bátora, 2015-08-18 This book questions whether the institutions and practices of the emerging EU diplomatic system conform to established standards of the state centric diplomatic order or whether practice is paving the way for innovative even revolutionary forms of diplomatic organisation *Development Aid in Stable Democracies and Fragile States* A. H. Monjurul Kabir, 2018-07-21 This book is based on experience and reflections related to international support provided to parliaments and legislative bodies both in selected countries Afghanistan Bangladesh Ghana Serbia and Kyrgyzstan and globally The author intends to provide a critique of parliamentary support as part of development assistance or foreign aid for having been conceived in narrow terms of technical assistance and for failing to appreciate that aid effectiveness calls for a sound understanding of a country s politics culture and history The monograph examines the effectiveness of aid in both stable democracies and fragile and transition countries The project is ideal for audiences interested in regional politics the Middle

East Africa South Asia Central Asia and development democracy studies *The Collected Documents of the Group of 77, Volume VII* Mourad Ahmia, 2024-05-07 This compilation of documents collects policy statements and common positions of the developing countries on climate change issues acting through the Group of 77 as a Global South coalition of nations in the framework of the United Nations system Climate change is one of the greatest challenges of our time and its widespread unprecedented impact burdens all countries in particular the Global South The volume features previously unreleased material and spans from the early 1990s to 2018 **Combating Inequality** Alexander Gallas, Hansjörg Herr, Frank Hoffer, Christoph Scherrer, 2015-12-22 Economic inequality has recently gained considerable academic attention However two important aspects of inequality have not been discussed systematically its multidimensional nature and the question of what can be done to reverse it This book offers insights from scholars representing the Global Labour University which operates in Brazil Germany India South Africa and the US They analyse the various drivers of inequality assess policy responses and discuss counterstrategies The main findings of this book are that rising levels of inequality cannot be addressed only with the standard policies responses namely education redistribution and green growth In addition the way markets currently function needs to be corrected The chapters in this volume focus on specific fields of contemporary capitalism where important drivers of inequality are located for example the labour market the financial system the tax system multi national corporations and gender relations Other chapters discuss in detail where political opportunities for change lie They critically assess existing countermeasures the idea of a green economy and its implications for inequality and existing campaigns by trade unions and new social movements against inequality In line with the global nature of the problem this book contains case studies on countries both from the north and south with considerable economic and political weight This book provides academics political practitioners and civil society activists with a range of ideas on how to drive back inequality It will be of interest to those who study political economy development economy and labour economics

Dangerous Allies Malcolm Fraser, Cain Roberts, 2016-04-12 Australia has always been reliant on great and powerful friends for its sense of national security and for direction on its foreign policy first on the British Empire and now on the United States Australia has actively pursued a policy of strategic dependence believing that making a grand bargain with a powerful ally was the best policy to ensure its security and prosperity Dangerous Allies examines Australia's history of strategic dependence and questions the continuation of this position It argues that international circumstances in the world and in the Western Pacific especially now make such a policy highly questionable Since the fall of the Soviet Union the United States has also changed dramatically making it less relevant to Australia and a less appropriate ally on which Australia should rely Malcolm Fraser argues that Australia should adopt a much greater degree of independence in foreign policy and that we should no longer merely follow other nations into wars of no direct interest to Australia or Australia's security He argues for an end to strategic dependence and for the timely establishment of a truly independent Australia

Crisis Communication in a Digital World Mark Sheehan, Deirdre Quinn-Allan, 2015-04-15 Crisis Communication in a Digital World provides an introduction to major crisis communication theories and issues management using practical examples from Australia and New Zealand. The book examines how public relations can influence the nature of a crisis and the impact of its aftermath. It explores the role of PR specialists in different crisis situations including natural disasters and morphing crises and examines the challenges they face in a world where social media is a key source of communication. Readers are provided with an in-depth understanding of crisis communication and issues management through practical approaches, strategies, and skills which are supplemented by relevant theories based on evidence and experience. International perspectives have been included throughout to illustrate the impact of multinational companies on the digital world including global media cycles and social media activism. Each chapter explores a different aspect of communications including media, natural disasters, and celebrity crises.

Intellectual Property Protection of Traditional Cultural Expressions Luo Li, 2014-04-22 The work reviews issues concerning the protection of folklore through the intellectual property legal system, then explores two main issues in the protection of Chinese folklore. The first issue is the influence of Chinese traditional culture on the Chinese intellectual property legal system and Chinese society. The second concerns the deficiencies of the Chinese intellectual property system with regard to folklore. Both issues are examined through a survey on the weak public recognition of intellectual property law and folklore in Chinese society. The book also reveals the practical issues that have arisen in Southwest China through case studies. After analysing these issues, the work designs a model law specifically for folklore and also provides suggestions for how the current intellectual property legal system could establish a comprehensive legal protection system for folklore. Furthermore, the work shows that its proposed model law is effective in practice by resolving the issues in the case studies presented.

ATP-gated P2X receptors in health and disease Andrea Nistri, Geoffrey Burnstock, Baljit S Khakh, Rashid Giniatullin, 2015-01-05 Extracellular ATP is currently recognized as one of the most widely distributed neurotransmitters and neuromodulators in the peripheral and central nervous system. ATP-gated P2X receptors are expressed by neurons, glial, and many other non-neuronal cells and represent an attractive target for therapeutic interventions. Diverse molecular and cellular mechanisms have been identified for P2X receptor functioning, including the ability to enlarge the size of the ion pore associated with the release of several key immune molecules. A major recent breakthrough was the determination of the X-ray crystal structures of zebrafish P2X4 receptor in ATP-bound and ATP-free states. The P2X receptor research field is rapidly growing, as evidenced by the almost 2000 papers published in the last 5 years. However, despite the fundamental signalling function of extracellular ATP in the nervous system, the widespread roles of P2X receptors have not been widely elucidated and presented in textbooks. In this volume of papers, we aim to gather a collection of high-quality papers detailing the latest insights from the most accomplished international P2X receptor researchers. Importantly, basic research into P2X receptors has a strong translational impact, and our collection of articles

could be a valuable guide for the development of new pharmacological and biotechnological tools addressing the function of P2X receptors Within this collection we plan to cover receptor structure function relationships receptors trafficking to highlight the special properties of P2X receptors and their pharmacological profiles and to describe the translational aspects of cellular ATP signaling in pain and in other neurological and vascular diseases Psychosocial Perspectives on Peacebuilding Brandon Hamber,Elizabeth Gallagher,2014-11-04 The book Psychosocial Perspectives on Peacebuilding offers a template for those dealing with the aftermath of armed conflict to look at peacebuilding through a psychosocial lens This Volume and the case studies that are in it starts from the premise that armed conflict and the political violence that flows from it are deeply contextual and that in dealing with the impact of armed conflict context matters The book argues for a conceptual shift in which psychosocial practices are not merely about treating individuals and groups with context and culturally sensitive methods and approaches the contributors argue that such interventions and practices should in themselves shape social change This is of critical importance because the psychosocial method continually highlights how the social context is one of the primary causes of individual psychological distress The chapters in this book describe experiences within very different contexts including Guatemala Jerusalem Indian Kashmir Mozambique Northern Ireland South Africa and Sri Lanka The common thread between the case studies is that they each show how psychosocial interventions and practices can influence the peacebuilding environment and foster wider social change Psychosocial Perspectives on Peacebuilding is essential reading for social and peace psychologists as well as for students and researchers in the field of conflict and peace studies and for psychosocial practitioners and those working in post conflict areas for NGO s **Guilt-free Bottle Feeding** Madeleine Morris,2014-09-15 You are not a bad mother if you can t breastfeed For decades mums have been told that breast is best that breastfeeding is the single most important thing we can do for our children Despite this huge pressure on modern mums the vast majority of us end up using formula And we feel guilty In Guilt Free Bottle Feeding award winning journalist Madeleine Morris and paediatrician Dr Sasha Howard challenge the simplistic message of breast is best revealing what everybody knows but nobody says out loud that bottle fed babies can grow up to be perfectly happy healthy and smart With a thorough yet accessible analysis of health science parenting sociology and the modern media the authors provide a balanced much needed and long overdue voice showing mothers who don t exclusively breastfeed why they are not failures A mix of political and practical Guilt Free Bottle Feeding also offers comprehensive advice on feeding including Choosing a formula and choosing a bottle Sterilising and preparing a feed How to promote bonding while bottle feeding Moving from breast to bottle and mixed feeding In an era where the pressure on mums is greater than ever before Guilt Free Bottle Feeding resets the conversation around infant feeding supporting all families regardless of how they feed their babies This is not an anti breastfeeding book This is an anti guilt book span style font family Verdana font size small www.guiltfreebottlefeeding.com

The Chemical Weapons Convention Walter Krutzsch,Eric Myjer,Ralf Trapp,2014-08-07 This book provides an article

by article commentary on the text of the Chemical Weapons Convention CWC and its Annexes one of the cornerstone disarmament and arms control agreements It requires the verified elimination of an entire category of weapons of mass destruction and their means of production by all its States Parties within established time lines and that prohibits any activities to develop or otherwise acquire such weapons Cross cutting chapters alongside the detailed commentary by those intimately involved in the development of the Convention assess the history of the efforts to prohibit chemical weapons the adoption of the Convention and the work of the Preparatory Commission the entry into force of the Convention to the Second Review Conference and the need for a new approach for the governance of chemical weapons Written by those involved in its creation and implementation this book critically reviews the practices adopted in implementing the Convention as well as the challenges ahead and provides legal commentary on and guidance for its future role It assesses how to adapt its implementation to advances in science and technology including the discovery of new chemicals and the development of biochemical non lethal compounds that influence behaviour It addresses the legal framework within which the Organization for the Prohibition of Chemical Weapons OPCW takes decisions both with regard to the OPCW s own regulatory framework and regarding wider international norms accepted principles and practices The Commentary draws conclusions on how the prohibitions against chemical weapons can be strengthened and the stature of the OPCW protected It highlights the involvement of industry and academia in this prohibition creating a symbiosis between effective governance and the legal framework of the Convention This book is an authoritative scholarly work for anyone interested in the Chemical Weapons Convention in international disarmament and arms control law and in the work of international organizations and a practical guide for individuals and institutions involved in the Convention s day to day implementation

BRICS and International Tax Law Peter Antony Wilson, 2016-04-24 With the ongoing expansion of outbound foreign direct investment FDI in the countries representing the BRICS economic bloc Brazil Russia India China and South Africa and with all of them at the same time listed among the top seven countries plagued by tax evasion and avoidance in the guise of illicit out flows the ve governments both individually and through cooperative initiatives have devised new international tax strategies that are proving to be of great interest and value to other countries both developing and developed The core of these strategies addresses the necessity of stemming the out flow of revenue while strongly supporting FDI both inbound and outbound while complying with international obligations including those arising from human rights laws This book is the rst in depth commentary on this new and evolving area of international tax law The detailed analysis covers the entire eld of BRICS international tax law considering topics such as the following information exchange procedures and pitfalls response to the OECD s Base Erosion and Profit Sharing BEPS initiative role of bilateral and multilateral double taxation conventions including the Multilateral Instrument and the Bilateral Investment Treaties thin capitalization transfer pricing controlled foreign corporation rules shortcomings related to authorities limited manpower international audit and investigation

procedures the BRICS approach to residence and mandatory and binding arbitration and the BRICS approach to shaping the developing world's international tax system. Notably the author personally conducted interviews with senior international representatives of the BRICS tax authorities as well as with leading BRICS academics and practitioners. Tax cases together with human rights and investment cases and administrative guidelines in all five countries are also included in the analysis. The study concludes with recommendations for improving each of the five countries' tax law and procedures especially in the area of dispute resolution. The author's goal is to extend the existing body of knowledge of the BRICS international tax laws in order to assist in developing an understanding of the BRICS approach to dealing with evasion and avoidance an approach which facilitates both outbound and inbound FDI simplifies tax authority administration and establishes a basis for resolving international disputes which is compatible with sovereignty. In achieving this objective the author has produced a major work that is of immeasurable value to tax advisers government and governance of officials academics and researchers both in developing international taxation strategies and in helping to resolve disputes with tax authorities.

Upgrading Informal Settlements in South Africa Liza Rose Cirolia, Tristan Görgens, Mirjan van Donk, Warren Smit, Scott Drimie, 2017-11-10 More than 12 million households in South Africa live in informal settlements without access to adequate shelter services or secure tenure. There has been a gradual shift to upgrading these informal settlements in recent years and there have been some innovative experiments. *Upgrading Informal Settlements in South Africa* a partnership based approach examines the successes and challenges of informal settlement upgrading initiatives in South Africa and contextualises these experiences within global debates about informal settlement upgrading and urban transformation. The book discusses the South African informal settlement upgrading agenda from local national and international perspectives. South African city experiences with informal housing and upgrading. The role of partnerships actors and capabilities in pursuing an incremental upgrading agenda. Tools instruments and methodologies for incremental upgrading. Implications of the upgrading agenda for the transformation of cities. The book has been written and edited by a wide range of practitioners and researchers from government NGOs the private sector and academia. It covers theory and practice and represents a vast accumulated body of housing experience in South Africa.

The Creation of Israeli Arabic Y. Mendel, 2015-12-04 This book sheds light on the ways in which the ongoing Israeli Arab conflict has shaped Arabic language instruction. Due to its interdisciplinary nature it will be of great interest to academics and researchers in security and middle eastern studies as well as those focused on language and linguistics.

Playing with Fire Yilmaz Akyüz, 2017-06-30 Starting in the early 1990s many emerging and developing economies EDEs liberalized their capital accounts allowing greater freedom for international lenders and investors to enter their markets as well as for their residents to borrow and invest in international financial markets. Despite recurrent crises liberalization has continued and in fact accelerated in the new millennium. Integration has been greatly facilitated by progressively looser monetary policy in the United States notably the policies that culminated in debt crises in

the United States and Europe and the ultra easy monetary policy adopted in response Not only have their traditional cross border linkages been deepened and external balance sheets expanded rapidly but also foreign presence in their domestic financial markets and the presence of their nationals in foreign markets have reached unprecedented levels As a result new channels have emerged for the transmission of financial shocks from global boom bust cycles Almost all EDEs are now vulnerable irrespective of their balance of payments external debt net foreign assets and international reserve positions although these play an important role in the way such shocks could impinge on them This is a matter for concern since the multilateral system still lacks mechanisms for orderly resolution of financial crises with international dimensions Playing with Fire provides an empirical account of deeper integration of EDEs into the global financial system and discusses its implications for stability and growth focusing on the role of policies in the new millennium in both EDEs and the United States and Europe Institutional Supports for the International Rule of Law Charles Sampford,Ramesh Thakur,2014-08-27

The rule of law is widely seen as the cornerstone of any effective polity and increasingly a vital component of the international political system If the international rule of law were to be strengthened it would greatly contribute to trade security human rights and global cooperation in a range of fields Yet in many areas the rule of law seems almost absent in international affairs This book explores the institutions that support the effectiveness of the rule of law domestically It focuses on the extent to which similar institutions already exist at international level and analyses the possibility of their further development The authors speculate on how the international rule of law might be advanced in the future thereby suggesting potential strategies for strengthening the international rule of law Adopting an interdisciplinary approach and combining the fields of international relations politics and law this book covers a range institutions including UN Security Council International Court of Justice Human rights machinery Regional human rights International Criminal Court World Trade Organization International Tribunal for the Law of the Sea UN Department of Peacekeeping Operations It will be of strong interest to students and scholars of international relations international organisations global governance international law migration law international peace and security law applied ethics political economy political science and sociology

Social Finance Alex Nicholls,Rob Paton,Jed Emerson,2015-11-05 Social Finance is a rapidly advancing area of practice policy and research with alot of unanswered questions What does it amount to What is it to be social in finance How do you value assets that offer a social as well as a financial return This book provides a collection of authoritative essays on these and related topics The essays embrace the different manifestations of social finance collate existing research set out the controversies offer theoretical insights and advances and draw together the ideas of the leading thinkers in the field Contributors to this volume are leading exponents and practitioners of social finance and leading academics from the main relevant disciplines and fields of study This book is the first serious and comprehensive treatment of social finance and as such will be of interest to academics with research and teaching interests in finance social enterprise entrepreneurship

public policy business economics and international deveopement to name a few If you want to understand and join in the academic and policy debates or if you are working in one part of this field and want to understand how the landscape is being rapidly re shaped then this is an essential guidebook **Researching Language and Social Media** Ruth Page,Johann Wolfgang Unger,Michele Zappavigna,David Barton,2014-06-27 Social Media is fast becoming a key area of linguistic research This highly accessible guidebook leads students through the process of undertaking research in order to explore the language that people use when they communicate on social media sites This textbook provides An introduction to the linguistic frameworks currently used to analyse language found in social media contexts An outline of the practical steps and ethical guidelines entailed when gathering linguistic data from social media sites and platforms A range of illustrative case studies which cover different approaches linguistic topics digital platforms and national contexts Each chapter begins with a clear summary of the topics covered and also suggests sources for further reading to supplement the initial discussion and case studies Written with an international outlook Researching Language and Social Media is an essential book for undergraduate and postgraduate students of Linguistics Media Studies and Communication Studies

November 2013 Paper 1 Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change. Such could be the essence of the book **November 2013 Paper 1**, a literary masterpiece that delves deep to the significance of words and their effect on our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book's key themes, examine its writing style, and analyze its overall effect on readers.

November 2013 Paper 1 Introduction

In the digital age, access to information has become easier than ever before. The ability to download November 2013 Paper 1 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download November 2013 Paper 1 has opened up a world of possibilities. Downloading November 2013 Paper 1 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading November 2013 Paper 1 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download November 2013 Paper 1. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading November 2013 Paper 1. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading November 2013 Paper 1, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download November 2013 Paper 1 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About November 2013 Paper 1 Books

What is a November 2013 Paper 1 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a November 2013 Paper 1 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a November 2013 Paper 1 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a November 2013 Paper 1 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a November 2013 Paper 1 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
