## Not Her Type:

**She's Not the Type** Elaine Soloway, 2011 Ann Robins is not the type to wind up in the bed of a sexy saxophone player. After all, she's a good Jewish girl and married mother of two. But when her lawyer husband grouches she's spending too much time playing activist in their integrated community and he seems to be otherwise engaged in his career and his acting hobby, she finds love in unexpected places. Perhaps Ann should've figured her marriage, which began on a walk down the aisle on the arm of someone else's boyfriend, would stumble along the way. But fortunately for readers who find inspiration and strength from second act stories, Ann emerges at midlife, secure, independent, and optimistic.

**How to Beat A Woman at Her Own Games** Ralph Hemphill, 2020-09-01 In today's world, much unlike the world of long ago before the 1980s, where women probably and seemingly didn't play as many games and didn't scheme as much as the women of today, one can clearly see, witness, and attest to the ever-present and overwhelming amount of game playing and scheming ways of most of the females we know, know of, see, and interact with on a day-to-day basis. Most every man, at one point or some point in his life, has fallen victim to a game or scheme of a female whom he has either tried to get with or hook up with, and many guys get hit with games and schemes, even with those that they are married to or in relationships with. Practically no man is exempt. We all, at some point, will find ourselves faced with a woman whose sole purpose is to either go for what's in our pockets or bank accounts or to try to get us to do something for them for free or to get us to buy them stuff without them appreciating it and then turning around and buying us stuff too, as well. That's a big part of the world we live in, as far as men interacting with women, and the sole purpose of this book is to at least get guys to recognize when they are being played and to not fall for the simple games that women play twenty-four hours a day.

**Resisting Redemption** Audrey Kaye, 2017-07-11 Desperate for a paycheck after forfeiting a chance at her dream career, Roxie Malone accepts a job at a law firm, assisting a hard-to-please and too-tempting criminal attorney. Struggling to censor her sarcasm and adjust to the expectations of the challenging man, she maintains one goal: Do not get fired. As long as she refuses to mix business with pleasure, she might have a shot at earning the bonus at the end of the case. *Me*: Assistant You boss. *Losing the drive*: That made him one of the top lawmen at his firm. *Grant Newland* takes a leave of absence at the worst possible time. Upon hearing his friend is charged for murder, Grant races back to work to fight for justice.
