Minor Keys Samantha Parsley, 2025-10-09 What s it like to work in the male dominated world of electronic music How do women and gender expansive music producers and DJs thrive

despite clubland's so-called bro culture. This book combines the author's personal journey into DJing and music production with insights from a six-year immersive research project and interviews with 63 global artists to explore the challenges women and gender-expansive artists face in the industry. The book tackles common myths around gender, technology, and cultural production head-on, introducing the concept of ameliorative work to recognise the continual and considerable additional work that minoritized genders do in order to succeed. Engaging, accessible, and thought-provoking, this book is a must-read for anyone interested in electronic music, the sociology of the contemporary club scene, or diversity issues for workers in the creative industries.
