Nothing But The Rain:

Nothing But the Rain Naomi Salman, 2023-03-14 A sleepy little town discovers its memories have become part of the water cycle in Naomi Salman's debut novella *Nothing but the Rain*. The rain in Aloisville is never ending and no one can remember when it started. There's not much they can remember. With every drop that hits their skin a bit of memory is washed away. Stay too long in the wet and you'll lose everything you used to be. By the time Laverne begins keeping a journal the small town she calls home has been irreparably changed. Every drop of water is dangerous from leaky faucets to the near constant rainfall and a careless trip outside can mean a life down the drain. With mysterious forces preventing escape calls for rebellion seem to be on every resident's lips. But Laverne has no interest in fighting. She has no interest in rebellion. She just wants to survive.

Nothing but the Dirt Kate Benz, 2022-07-15 In this work of creative nonfiction author Kate Benz provides an intimate look at the present day residents of Courtland, Kansas, population 285, a town whose economy depends almost entirely on agriculture. Through charming first person accounts *Nothing but the Dirt* tells the whole story of life in Courtland, bucking the Rural America is dying narrative that so often proliferates national headlines about small town USA. Throughout the book Benz paints a picture of a community that is unwilling to give up on each other. Macro level issues such as rising tariffs, operation costs versus sinking commodity prices and infusions of federal farm subsidies affect the locals' daily livelihood but it's their love of their community that continues their collective efforts to keep Main Street open for business and Courtland on the map. These are the stories from one corner of rural America told through the people who live there: the fourth generation farmers, the young professionals, the transplants, the small business owners, many of whom are women, a community that is nuclear blended, straight, gay, red, blue, religious and anything but Young. People who grew up in Courtland are moving back to raise their kids there but instead of farming they are opening breweries, boutiques, marketing agencies or hair salons. They love rural life but want a new way to define it. Courtland is a community that is unwaveringly determined to keep their corner of rural America not only alive but thriving, refusing to let challenges define or deter them. Instead they continuously find creative ways to overcome, adapt, improve and
