assesses how the experience from the smartphone and ICT industries can be applied in a new environment of the IoT and considers what needs to be changed in the future SEP licensing landscape The book provides a holistic coverage of SEP licensing issues in an attempt to reduce uncertainty within this highly complex and technical area and will be useful to practitioners policy makers SMEs and large technology companies in the IoT as well as academics interested in the field

The Business of Sports Agents Kenneth L. Shropshire, Timothy Davis, 2013-04-22 The legendary Charles C Cash and Carry Pyle considered by most to be the first sports agent negotiated a 3 000 per game contract for Red Grange to play professional football for the Chicago Bears in 1933 Today salaries in the tens of millions of dollars are commonplace and instead of theatrical promoters and impresarios professionally trained businessmen and lawyers dominate the business But whereas rules and penalties govern the playing field there are far fewer restrictions on agents Incidents of agents manipulating athletes ranging from investment scams to outright theft of a player s money are far too frequent and there is growing consensus for reform In The Business of Sports Agents Kenneth L Shropshire and Timothy Davis experts in the fields of sports business and law examine the history of the sports agent business and the rules and laws developed to regulate the profession They also consider recommendations for reform including uniform laws that would apply to all agents redefining amateurism in college sports and stiffening requirements for licensing agents This revised and expanded second edition brings the volume up to date on recent changes in the industry including the closing of one of the largest agencies high profile personnel moves passage of the federal Sports Agent Responsibility and Trust Act the National Football League s aggressive and high profile efforts to regulate agents
