Bullock, Gayle Broad, Lynn Palmer, M.A. (Peggy) Smith, 2017-10-13 Canada is experiencing an unparalleled crisis involving forests and communities across the country While municipalities policy makers and industry leaders acknowledge common challenges such as an overdependence on US markets rising energy costs and lack of diversification no common set of solutions has been developed and implemented Ongoing and at times contentious public debate has revealed an appetite and need for a fundamental rethinking of the relationships that link our communities governments industrial partners and forests towards a more sustainable future The creation of community forests is one path that promises to build resilience in forest communities and ecosystems This model provides local control over common forest lands in order to activate resource development opportunities benefits and social responsibilities Implementing community forestry in practice has proven to be a complex task however there are no road maps or well developed and widely tested models for community forestry in Canada But in settings where community forests have taken hold there is a rich and growing body of experience to draw on The contributors to Growing Community Forests include leading researchers practitioners Indigenous representatives government representatives local advocates and students who are actively engaged in sharing experiences resources and tools of significance to forest resource communities policy makers and industry Parliamentary Debates Great Britain. Parliament. House of Commons, 1941 MOOCs, High Technology, and Higher Learning Robert A. Rhoads, 2015-10-30 The first book to explore the rise of MOOCs through a social science lens In MOOCs High Technology and Higher Learning Robert A Rhoads places the OpenCourseWare OCW movement into the larger context of a revolution in educational technology In doing so he seeks to bring greater balance to increasingly polarized discussions of massively open online courses MOOCs and show their ongoing relevance to reforming higher education and higher learning Rhoads offers a provocative analysis of a particular moment in history when cultural political and economic forces came together with evolving teaching and learning technologies to bring about the MOOC He argues persuasively that the OCW and MOOC movements have had a significant impact on the digitalization of knowledge and that they have helped expand the ways students and teachers interact and develop ideas collaboratively He also critically analyzes the extensive media coverage of MOOCs while examining empirical studies of MOOC content delivery the organizational system supporting the OCW MOOC movement and faculty labor concerns Too often technology advocates champion the MOOC movement as a solution to higher education s challenges without recognizing the pedagogical social and economic costs MOOCs High Technology and Higher Learning challenges many of the democratic claims made by MOOC advocates pointing to vast inequities in the ways MOOCs are presented as an alternative to brick and mortar access for low income populations This book offers a clear eyed perspective on the potential and peril of this new form of education Parliamentary Debates Great Britain. Parliament. House of Commons, 1941 Contains the 4th session of the 28th Parliament through the session of the Parliament
