Instructions

Read these instructions carefully before using the product. They contain important information about the product and its use. Please keep these instructions for future reference.

## Features

The ICF-C218 is a digital clock radio with a built-in alarm clock. It features a digital display showing the time and date. The clock radio can be set to wake you up with a soft, gentle alarm sound. It also has a sleep timer function that allows you to set the radio to turn off after a specified period of time.

## About the backup battery

The ICF-C218 has a built-in backup battery to maintain the clock and alarm settings when the main power is disconnected. The battery is a 3V CR2032 type. It is located inside the radio. The battery life is approximately 10 years.

When the main power is disconnected, the clock and alarm settings will be lost. To restore the settings, you will need to set the clock and alarm again. The backup battery will only maintain the settings for a limited period of time.

## Installing and replacing the backup battery

1. Turn off the power to the radio.
2. Remove the back cover of the radio.
3. Remove the old battery.
4. Insert the new battery.
5. Replace the back cover.

When replacing the battery, make sure the positive (+) and negative (-) terminals are correctly connected. If the battery is not connected correctly, the clock and alarm settings will be lost.
