

■ **Business** *—* The *Wall Street Journal* reported that the U.S. Postal Service is considering a new rate structure for bulk mail. The new rates would be based on the weight and volume of the mail, rather than the current system of flat rates. The Postal Service is also considering a new rate structure for first-class mail. The new rates would be based on the weight and volume of the mail, rather than the current system of flat rates.

1. The first step in the process is to identify the problem or goal. This involves understanding the current situation and what needs to be achieved.

2. Next, it is important to gather relevant information and data. This can be done through research, interviews, or observation.

3. Once the information is gathered, the next step is to analyze it. This involves identifying patterns, trends, and potential causes.

4. After analysis, the next step is to develop a plan or strategy. This should be based on the findings of the analysis and the goal of the project.

5. The final step is to implement the plan. This involves putting the strategy into action and monitoring progress.
