Through stories, real-life tips, and easy instructions, you'll discover just how capable and user-friendly your phone can be, even if you've never used a smartphone before. Here's just a glimpse of what you'll gain from this book: How to set up your phone like a pro in minutes, not hours. Step-by-step guidance on calls, texts, photos, and settings. Smart tips for saving battery, freeing storage, and staying safe online. What to do when something goes wrong, and how to fix it fast. Spoiler: There's even a section that shows you how to automate daily tasks so your device works for you, not the other way around. We understand your concerns. I'm not tech-savvy. I might press the wrong thing and break it. I've tried manuals before, and they were too hard to follow. That's why this book is different.
