wearing her colorful onesie and chewing on her dummy It s a new adventure for the both of them as the eighteen year old gets used to her new life being taken care of while he learns to share her with his packmates Sugar Lilith is a bright young freshman with the world ahead of her She s normally smarter than this It s just that she needed money really fast and so she had done something spectacularly stupid A slight reading error and the lack of the word Sugar in front of a certain noun has landed her in hot water Now she has to wear a diaper and onesie as per her agreement Public Attraction James is a Werewolf and the curator of the Museum of Forgotten Days and his most precious possession and the star of the Museum is his little pup a relic of a past that is thought to have gone extinct A lovely eighteen year old human who now belongs to him in every sense of the word PG Excerpt The most horrifying thing about it is how good it feels his fingers touching her making sure she s all cleaned up He s so blas about it too not taking too long so she doesn t have time to panic A few seconds later he has a new diaper wrapped up around her hips and she smells like roses and pink strawberry gum There we go That s much better now isn t it he says brushing tears away from her cheeks and waits for her to calm down completely before freeing her from her restraints If you can behave Daddy won t swaddle you up and you can use your arms again he says seriously his eyes wrinkling just a little bit like he is so painfully fond of her that he can t even be serious with her without softening a little bit Being swaddled up in thick blankets means she ll be warm but it also means she can t use her arms and legs on anything and she s just trapped all the time She wonders if they had done something to her to make it so that she doesn t get all sore and tingly after such a long time of not moving but it s not like she can ask She chews on the dummy and nods There s my good girl he says and wraps something soft onto her hands They re like mittens but they don t have thumbs on them At least she can move her arms a little bit now He puts sock on her toes too and then holds her around her waist so that her face is pressed against his shoulder She breathes in his scent a little bit greedily having associated being close to him to food and warmth and all the nice things There s my perfect baby girl he says Daddy only wants what s best for you You were out there all alone struggling to be warm and have food on your table weren t you baby No more of that Daddy s going to make sure you always have whatever you need from now on It s all very reassuring but she doesn t know him doesn t even know his name She only fact she has about him is that he s a Werewolf With nothing else to do she chews her pacifier absentmindedly and lets him carry her out of the nursery and down the hall Having a clean diaper makes her feel so much better and she knows it s only a matter of time before he feeds her again so she closes her eyes and lets him bounce her in his arms and carry her places It s a little bit boring watching over his shoulder as he works busying himself with getting everything in the glass cabinets in perfect working condition so she drifts off a little bit Maybe I should have a playpen here set up for you he says Then you can nap and play when Daddy s work in the morning and Daddy can keep an eye out on you all the time He presses a kiss on her forehead and looks lost in his thought for a while as she naps
