## **Parent Resource Guide Special Education:**

**The Everything Parent's Guide to Special Education** Amanda Morin, 2014-05-18 Children with special needs who succeed in school have one thing in common: their parents are passionate and effective advocates. This valuable handbook explains how to evaluate, prepare, organize, and get quality services, no matter what a child's disability. Includes worksheets, forms, and sample documents and letters.

**Resources in Education**, 2001

**A Parent's Guide to Special Education** Linda Wilmshurst, Alan W. Brue, 2005 A Parent's Guide to Special Education offers invaluable information and a positive vision of special education that will help parents through the potentially overwhelming processes of catch-all programs that encompasses dozens of learning challenges: developmental delay, learning and physical disabilities, emotional disturbance, retardation, autism, and others. Filled with practical recommendations, sample forms, and enlightening examples, this is a priceless resource for helping every child learn.

**The Complete IEP Guide** Lawrence M. Siegel, 2023-07-01 Recipient of the 2017 BRONZE Winner for Education Award from Foreword Indies. Get the educational services and support your child deserves. Federal law guarantees every child a free appropriate education, and the goal of the Individualized Education Program (IEP) is to assure that every child with special needs receives what the law promises. But you know that your family must make sure the school follows through. This powerful book covers eligibility rules and assessments, working with outside experts, developing your child's ideal educational program, preparing for and attending IEP meetings, and resolving disputes with school districts. The 11th edition explains the law and provides key forms, sample letters, and resources you need at every stage of the IEP process. With it, you can ensure your child gets a good education, the education your child deserves.

*The Essentials of Special Education Law* Andrew M. Markelz, David F. Bateman, 2021-07-12 The Essentials of Special Education Law distills the legal complexities of special education into a practical resource for preparation programs as well as professionals in the field. Written and organized with college students and practicing educators in mind, this book serves as a go-to guide to the historical underpinnings of special education, the six pillars of the Individual with Disabilities Education Act (IDEA), essential court cases that have propelled the field of special education to where it is today, and practical application tips to ensure legal compliance. With 45 years of combined special education legal experience, authors Andrew Markelz and David Bateman present the essential components of special education law like never before.
