Encyclopedia of Media Violence Matthew S. Eastin, 2013-10-01 Does violence on a movie TV or computer screen or in a song lyric beget violence in the streets What about aggression and violence in televised sporting events What are the known effects of violence in the media on the developing mind of a young child Do rating systems and warning labels help in the effort to keep overtly violent materials out of the hands of children or do they act as magnets Where does violence in the media cross a line from legitimate entertainment and plot development to gratuitousness and even pornography How do we define media violence and just how much is there What methodologies do behavioral scientists use to assess content and draw conclusions about effects and how do we separate valid inferences from entrenched myths and assumptions How should findings from research studies be translated into public policy Students are able to explore these questions and more in the Encyclopedia of Media Violence Entries examine theory research and debates as they relate to media violence in a manner that is accessible and jargon free to help readers better understand questions from varied perspectives From Aggression and Animated Cartoons to V-chips and War Toys this work provides balanced comprehensive coverage of this hot button issue Features Benefits 134 signed entries are available both in print and electronically Entries conclude with Cross References and Suggestions for Further Readings to guide users to related entries and resources for

further research Although organized in A to Z fashion a thematic Reader s Guide in the front matter groups related entries by topic to make it easier for users to locate related entries of interest In the electronic version the Reader s Guide combines with the Cross References and a detailed Index to facilitate search and browse

Real-World Media Ethics Philippe Perebinosoff,2012-07-26 The Los Angeles Times recently reported that the word integrity was the most looked up word on Merriam Webster s online dictionary suggesting that people are looking for guidance in a scandal driven world Issues of ethics and the media continue to dominate our awareness and present real challenges in our day to day work This book shows the ethical decision making process in action using tools of critical analysis and evaluation Real World Media Ethics is written in a friendly and approachable voice It succeeds in offering an honest frontline aware and realistic sense of the ethical situations faced by entertainment and journalism professionals every day in the real world Most of the other books about media ethics focus mostly on journalism this book however covers not just journalistic ethics but also ethics in the landscape of mass media including public relations the entertainment industry and other forms of visual communication The author includes numerous case studies about current headlines that readers will already be familiar with providing realistic and engaging scenarios about when how and why ethics count

Smoking Laura K. Egendorf, 2007-12-14 This essential volume helps readers address their thoughts and questions in relation to smoking It examines the effect of smoking on health how advertising and movies contribute to adolescent smoking and government policies regarding cigarette advertising and taxes Essays are provided in a pro versus con format so that readers are given

multiple perspectives on the issues This allows them to activate their critical thinking skills while examining this important topic

A History of Movie Ratings Chris Hicks,2013-07-23 The wire thin line that separates movies rated PG and R has been crossed over so many times in both directions that industry observers are questioning whether the rating system carries any validity at all Just where did this system come from And who's been trusted with dishing out the ratings anyway As a movie reviewer for more than thirty years author Chris Hicks knows a thing or two about Hollywood His masterful synopsis of CARA the MPAA and the mess we're in today will make you think twice before you take a film rating at face value

Children at Risk Arthur V. Carrington,2002 There was a day when society shielded its children from the often cruel world At least in the so called developed countries the exposure of children to the worst perversions society can conjure up has never been greater Children have reached the exalted level of being treated seduced and targeted to as a market This bibliography brings together the literature providing access by subject groupings as well as author and title indexes

Handbook of Children and the Media Dorothy G. Singer,Jerome L. Singer,2011-07-25 Cyber bullying sexting and the effects that violent video games have on children are widely discussed and debated With a renowned international group of researchers and scholars the Second Edition of the Handbook of Children and the Media covers these topics is updated with cutting edge research and includes comprehensive analysis of the field for students and scholars This revision examines the social and cognitive effects of new media such as Facebook Twitter YouTube Skype iPads and cell phones and how children are using this new technology This book summarizes the latest research on children and the media and suggests directions for future research This book also attempts to provide students with a deliberate examination of how children use enjoy learn from and are advantaged or disadvantaged by regular exposure to television new technologies and other electronic media

Ending the Tobacco Problem Institute of Medicine,Board on Population Health and Public Health Practice,Committee on Reducing Tobacco Use: Strategies, Barriers, and Consequences,2007-10-27 The nation has made tremendous progress in reducing tobacco use during the past 40 years Despite extensive knowledge about successful interventions however approximately one quarter of American adults still smoke Tobacco related illnesses and death place a huge burden on our society Ending the Tobacco Problem generates a blueprint for the nation in the struggle to reduce tobacco use The report reviews effective prevention and treatment interventions and considers a set of new tobacco control policies for adoption by federal and state governments Carefully constructed with two distinct parts the book first provides background information on the history and nature of tobacco use developing the context for the policy blueprint proposed in the second half of the report The report documents the extraordinary growth of tobacco use during the first half of the 20th century as well as its subsequent reversal in the mid 1960s in the wake of findings from the Surgeon General It also reviews the addictive properties of nicotine delving into the factors that make it so difficult for people to quit and examines recent trends in tobacco use In addition an overview of the development of governmental and nongovernmental tobacco control efforts is

provided After reviewing the ethical grounding of tobacco control the second half of the book sets forth to present a blueprint for ending the tobacco problem The book offers broad reaching recommendations targeting federal state local nonprofit and for profit entities This book also identifies the benefits to society when fully implementing effective tobacco control interventions and policies

Here's Looking at You Ernest D. Giglio,2010 Now in its third edition Here s Looking at You Hollywood Film and Politics examines the tangled relationship between politics and Hollywood which manifests itself in celebrity involvement in political campaigns and elections and in the overt and covert political messages conveyed by Hollywood films The book s findings contradict the film industry s assertion that it is simply in the entertainment business and examines how while the majority of Hollywood films are strictly commercial ventures hundreds of movies ranging from Birth of a Nation to Capitalism do indeed contain political messages This new edition has been updated with new photos and cartoons and includes two new chapters one on Afghan Iraqi war films and the other on the treatment of race and gender in Hollywood films that are sure to stimulate discussion Here s Looking at You serves as a basic text for political film courses and as a supplement in American government and film studies courses and will also appeal to film buffs and people in the film industry

Rating Entertainment Ratings United States. Congress. Senate. Committee on Governmental Affairs,2002 **Role of the Feature Film Industry in a National Effort to Diminish Drug Use Among Young People** United States. Congress. Senate. Committee on Governmental Affairs. Permanent Subcommittee on Investigations,1986

Has Hollywood Lost Its Mind? Chris Hicks,2013-05-01 The wire thin line that separates movies rated PG and R has been crossed over so many times in both directions that industry observers are questioning whether the rating system carries any validity at all As a movie reviewer for more than thirty years and as a watchful caretaker parent author Chris Hicks learned pretty quickly that Hollywood movers and shakers like to push the envelope as they put it and it doesn t seem to matter whether it s a children s film or an adult movie It s not just R rated movies that are troubling PG 13s and even PGs can also be problematic And sometimes worse than problematic Simply put relying on the Motion Picture Association of America to make choices for you or your children is a mistake Breaking down the history of the film rating system and exploring today s ratings confusion and quagmire Hicks provides valuable information to help parents know how to interpret and what to expect from today s movies

The Cultural Dimensions of Peacebuilding Marty Branagan,2024-10-08 This broad ranging book examines the creation through the arts and culture of societies that enjoy sustainable positive peace It begins with a critique of the pervasive nature of militarism and violence embedded deep in the cultural fabric of many societies influencing the language and discourses we use the films we watch our museums and histories our journalism and our education systems It also examines the roots of violence in our parenting styles gender roles and spiritual practices It contrasts this with an examination of a number of peaceful societies that already exist drawing useful lessons from their cultures It critiques discrepancies in history education with regard to war and peace and examines artistic and cultural

processes institutions and artifacts designed to create peace such as peace museums and parks peace journalism peace education and resistance to violence through cultural means such as film making fine arts satirical theatre and protest music Solutions oriented it examines the efficacy of these attempts and suggests positive ways forward It also explores the role of gender in creating cultures of peace and the impacts on peacebuilding of cultivating peace within
