Professional Learning from Classroom-Based Inquiries Jyoti Rookshana Jhagroo,Patricia Martha Stringer,2023-09-29 This book provides authentic practice based inquiries by pre service teachers Their reflective narratives showcase their individual inquiries as they navigated their self chosen professional learning journeys through the teaching as inquiry framework The narratives advance what it means to be a reflective practitioner in practice and highlight necessary dispositional skill sets to attain valuable professional learning through inquiry Through an inquiry stance pre service teachers are liberated from being knowledge consumers to local knowledge producers relevant to their practice The dissonance this shift creates negates the comfortable doing of teaching to make the act of teaching authentic relevant and powerful

Research in Basic Writing Martin Jacobi,Michael G. Moran,1990-02-15 This reference handbook surveys research on the central issue associated with the teaching of unprepared writers Though basic writing has only been recognized as a distinct area of teaching and research since 1975 the existing bibliographic texts already seem limited due to their age or lack of annotation This volume provides current and extensive bibliographic essays and will help to define this new field of study for teachers and researchers Following an introduction that summarizes the origins and significant texts in basic writing the book is divided into three sections Social Science Perspectives Linguistic Perspectives and Pedagogical Perspectives The first section which contains three essays views the field through the lens of social psychological and political issues The second section also containing three essays examines contributions made from studies of grammar dialects and second language acquisition The third section in its four essays focuses on the design development administration and evaluation of basic writing courses the use of computers in basic writing classrooms the role of the writing lab and the preparation of basic writing teachers An appendix that reviews current textbooks for basic writing courses is also included as well as an index This book will be a valuable resource for teachers of basic writing in education courses and workshops that train teachers and tutors and in fields such as linguistics technical writing and Teaching English as a Second Language It will also be an important addition to public and university libraries and many education programs
