Passing On Curves While Death Rides Shotgun:

Passing on Curves Craig McLaughlin, 2015-05-19 In gripping essays taken from his stage performances Craig McLaughlin takes us down a road where death lurks around every turn As a newborn he almost bleeds to death because of hemophilia His life expectancy at birth is 12 years Despite the odds however he survives to adolescence only to find himself living on an animal research facility where the humans can be more menacing than the tigers and other exotic animals As he struggles in adulthood with HIV he contracted from contaminated medicine his wife's breast cancer threatens to make his daughter an orphan McLaughlin is a survivor who displays a tremendous reverence for both life and death With formidable intuition he navigates blind curves to arrive at a destination rich with insight compassion and humor Told with unflinching honesty *Passing on Curves* is a memoir of inspirational courage Story subjects include Being trapped in a pickup cab with an out of control chimpanzee Waking to find a jaguar slobbering over his ankle Dreaming of a demon that forced him to confront his own death Gearing up for a gun battle with the Hells Angels Comforting the man his mother and stepfather kidnapped Being run over and nearly crippled by a llama

Death Wins All Wars Daniel Holland, 2019-09-01 While Daniel Holland's memoir details his involvement in the draft resistance movement of the 1960s the impetus to share his story now comes from the dangerous new president and congress that have taken control of the United States Government There is no telling how quickly they will plunge our nation into war People who are of age to fight in the wars of today were not yet born when the lessons of Vietnam were being learned so this book may serve as a guide to the decisions they face in today's volatile world Holland's chapters highlighting the headlines and breaking news of the time alternate with coming of age rites of passage chapters as his personal memories and current reflections on those events portray a growing consciousness and his evolution of youthful naiveté into committed antiwar activism Then his focus turns to the legal adventures that follow indictment arrest arraignment defending himself at trial and sentencing Interspersed with these he shares episodes of draft board raids secret rooms and the day to day responsibilities of a full time activist He follows a surprise ending with a thoughtful afterword contemplating our personal responsibilities for peace
