Pass the 66™

Do the terms *legislative risk*, *rule of 72*, and *pass-through certificate* give you a headache? Do you need to take the Series 66 exam? If you can answer yes to both of these questions, then you've come to the right place.

Robert Walker, a professional trainer who specializes in the NASD/NASAA Series 63, 65/66, 6, and 7 exams, has written this book for those who are about to brave the Series 66 examination. Armed with an M.F.A. in writing and a B.A. in English, Walker has managed to translate Securities-ese into plain English, with a liberal dash of humor.

This must-have book guides you through the intricacies of the Series 66 exam. Walker takes the exam apart piece by piece, and explains terms and concepts with a sense of humor and ease. It's a different kind of exam guide. He shows you, step-by-step, how not to be misled by the questions. In addition to practice questions liberally sprinkled throughout its lessons, *Pass the 66* includes two complete 100-question practice finals, a detailed table of contents, a review checklist, and a handy glossary.

Once you've finished this book, you will be able to take the test with confidence!

Praise for the Series

I must say that your textbook was one of the most well-written study materials I have read. Not only was it easy to read, but your sense of humor and story telling ability kept my attention—even with some of the dry legal jargon.

APOLYN HAYES, MSA, Personal Wealth Manager/Principal of South Atlanta Capital Management

Thanks for your great explanations! Your stuff made it easy to learn and remember.

ROACH LEE, Registered Representative

Your thorough work and sense of humor make it a pleasure to study. You could not have been more helpful, and knowledgeable in how to take the test!

TIMOTHY WHITE, III, Financial Representative
