### **Hand Guns, Concealed Carry, Gun Laws, Other Concerns, and Things You Should Know** Hammond

Satterfield,2013 My purpose and hope in writing this book about Handguns Concealed Carry and Legal Concerns is to impart to you knowledge to save you money An even more important goal is to save you potential heartache and most critical to encourage you to protect your life and that of your loved ones Why and how you ask First The Need The FBI reported In 2010 there was a burglary every 15 seconds One in five women in a recent survey stated they had been a victim of sexual assault When resisting a criminal assault an armed woman has a 400% better chance of escaping unharmed than an unarmed woman Question What's your plan Just trust in Blind Luck The Why To purchase an inappropriate hand gun or two can cost hundreds of dollars To run afoul of the law that expense begins in the thousands of dollars To be unarmed and unprepared to confront a violent attacker that cost is incalculable Remember Lightning and violence have one thing in common they both strike somewhere The How There is no other single source one volume book covering handguns ammunition holsters maintenance safes safety legal concerns and miscreant misbehavior This book is an effort to fill that void If you are not certain that you need to know more open the book to page IX and take a quick assessment of your knowledge Thank you for giving me a look and don't forget You make your choice and you take your chances
