Department of Printed Books, 1889      *An Introduction to the New Testament, Second Edition* Charles B. Puskas, C. Michael Robbins, 2011-06-16 Studying the New Testament requires a determination to encounter this collection of writings on its own terms This classic introduction by Charles B. Michael Robbins provides helpful guidance Since the publication of the first edition which was in print for twenty years a host of new and diverse cultural historical social scientific socio-rhetorical narrative textual and contextual studies has been examined Attentive also to the positive reviews of the first edition the authors retain the original tripartite arrangement on 1 the world of the New Testament 2 interpreting the New Testament and 3 Jesus and early Christianity This volume supplies readers with pertinent primary and secondary material The new edition carries on a genuine effort to be nonsectarian and although it is more of a critical introduction than a general survey it is recommended to midlevel college and seminary students and to anyone who wants to be better informed about the New Testament      *Report of the British and Foreign Bible Society* British and Foreign Bible Society, 1872 Vols 1-64 include extracts from correspondence      Will All be Saved? James Solomon,2024-09-16 While lecturing on spiritual warfare at a Bible school in Japan some years ago I had an encounter with a student who said she was not a born again Christian and had never been to church she was a Buddhist During our conversation she told me she had read so many books on Buddhism but had never read the Bible or read any book about God In my reasoning with her I asked her how was she to know anything about God whom she has not read about If she wanted to know if God is better than Buddha she would need to read the Bible to know who God is She agreed with me and I got her a Bible which she promised to start reading I believe this encounter and many others are the reasons the Holy Spirit impressed it upon me to put together this deliverance workbook in order to help create an awareness and to enlighten the upcoming generation on this very important subject matter of deliverance that many seem to lack knowledge about This book explains all the major aspects of deliverance and is strongly recommended to all churches ministries ministers of God prayer band intercessory groups prayer ministries Bible schools seminaries and all other Christian organizations worldwide The book addresses various topics such as What is deliverance Satanic kingdoms Can a Christian have demons Satanic initiations and much more Rejecting the teachings on deliverance is sheer ignorance It is time to rise up and build a militant army to join hands with Jesus Christ in destroying the works of the devil 1 John 3 8

Arwine, 2014-05-15 God uses people daily to communicate His fragrance and message to us Too often we dont check to see what aroma or impression we are leaving for others to see hear or smell After visiting someones home or before checking out of a motel or when moving we double check to make sure we havent left anything behind Even criminals check to make sure they havent left any clues at the crime scene to identify them A story reminded me of this A robber thought he had committed the perfect crime He assumed he left no clues behind But he didnt count on someone remembering how he smelled The smell he left behind was what helped convict him Yes we leave something everywhere we go Stuart Holden reminded a young man moving from a boarding house of this fact when the young man said he was just double checking to make sure he wasn t leaving anything behind Theres one thing you will leave behind young man your influence
