Ne Me Quitte Pas For Piano:

Ne me quitte pas Maya Angela Smith, 2025-01-24 In 1959 Belgian singer songwriter Jacques Brel wrote and performed *Ne me quitte pas* Don't leave me a visceral and haunting plea for his lover to come back As a teenager Maya Angela Smith was so captivated by Nina Simone's powerful 1965 cover of the song that it inspired her to be a French professor In *Ne me quitte pas* Smith follows the classic song's long and varied journey from Brel's iconic 1966 performance on French television to Simone's cover to Shirley Bassey's English language version *If You Go Away* to its contemporary manifestations in popular culture Throughout Smith shows that as the song travels across languages geographies genres and generations it accumulates shifting artistic and cultural significance as each listener creates their own meaning **Music and**

something out of the corner of my eye A strange and beautiful man had dropped to his knees in front of me unencumbered unembarrassed I stopped short He was slender almost Asiatic looking wearing baggy combat trousers and a T shirt He was flirting and then he was laughing at my reaction There was not much for me to do but also smile Janine and Bruno first fell in love as young reporters in the besieged city of Sarajevo Years later after endless phone calls much of what the French call *malentendu* secret trysts in foreign cities numerous break ups three miscarriages countless stories of rebel armies and a dozen wars that had passed between them they arrive in Paris one rainy January to begin a new life together The remnants of their separate lives now left behind are tentatively unpacked into their shared apartment on the Right Bank Bruno's heavy blanket from Ethiopia a set of long feathered arrows from Brazil an ash tray stolen from a hotel in Algeria and Janine's flak jacket and canvas boots still full of sand from the Western Desert in Iraq But having met in another lifetime in another world ordinary civilian life doesn't come easily War has become part of them it had brought them together and though both are damaged by it neither can quite leave it behind And the difficult journey that follows through their mix of joy and terror at becoming parents Bruno's battle with post traumatic stress and addiction and Janine's determination to make France her home leads to an understanding of the truth that people who deeply love each other cannot always live together A searing

profoundly moving love letter beautifully written Ghosts by Daylight is a powerfully raw portrait of marriage and motherhood in the aftermath of war
