**Starting and Finishing the Paper** Michael Walters, Ellen Diehl-Matto, 2006-08 Starting and Finishing the Paper A How to Guide to Quality College Papers Second Edition is an excellent book for college students having difficulties with writing their college papers It is a fun and step by step approach from start to finish Starting and Finishing the Paper covers how to start a paper how to write an introduction how to handle different assignments building the body of the paper plagiarism proper quoting paragraph construction transitions and writing conclusions It also contains many writing examples for students to follow Starting and Finishing the Paper is short and to the point but not short on advice to the college student from two professors of writing who have taught for decades Inside are many insightful comments written by the authors about the pitfalls students fall into and how to avoid them It is not only written for students taking their first college composition course but also for students who need to write research papers and literary papers Paper Revolutions Sarah E. James, 2022-03-29 The experimental practices of a group of artists in the former East Germany upends assumptions underpinning Western art's postwar histories In Paper Revolutions Sarah James offers a radical rethinking of experimental art in the former East Germany the GDR Countering conventional accounts that claim artistic practices in the GDR were isolated and conservative James introduces a new narrative of neo avantgarde practice in the Eastern Bloc that subverts many of the assumptions underpinning Western art's postwar histories She grounds her argument in the practice of four artists who uniquely positioned outside academies museums and the art market as these functioned in the West created art in the blind spots of state censorship They championed ephemeral practices often marginalized by art history postcards and letters maquettes and models portfolios and artists books Through their lived modernism they produced bodies of work

animated by the radical legacies of the interwar avant garde James examines the work and daily practices of the constructivist graphic artist painter and sculptor Hermann Glöckner the experimental graphic artist and concrete and sound poet Carlfriedrich Claus the mail artist concrete poet and conceptual artist Ruth Wolf Rehfeldt and the mail artist visual poet and installation artist Karla Sachse She shows that all of these artists rejected the idea of art as a commodity or a rarefied object and instead believed in the potential of art to create collectivized experiences and change the world James argues that these artists entirely neglected by Western art history produced some of the most significant experimental art to emerge from Germany during the Cold War
