## **Parables From The Potter:**

**All the Parables of the Bible** Herbert Lockyer, 1963 A study and analysis of the more than 250 parables in Scripture

**THE PARABLES OF THE LORD JESUS CHRIST** John Sandbek, 2018-06-12 The parables of Jesus should not be studied as individual homilies or proverbs but instead as a series of prophetic installments wherein each parable reveals an aspect of his coming millennial kingdom The focus of all his parables was the kingdom and encompassed four areas of revelation Jesus was sent by his Father to reveal to man eternal truths to redeem the lost sheep of the house of Israel to expound on the prophets and the Law and to preach of the gospel of the Kingdom With these four anointings Jesus assumed the three offices of Prophet Priest and King and used parables to conceal his message from those who would not listen or sought to destroy his ministry As Prophet he foretold of events imminent to his time and the destruction of Jerusalem He became our High Priest to redeem his people and instruct them in righteousness As King his parables reveal to us the grandeur of his coming kingdom heretofore kept secret from man and set the metrics for ruling and reigning with him The Parables of the Lord Jesus Christ Prophet Priest King examines Jesus s parabolic teaching from these three ordinations and how each relates to Christ s future kingdom Each parable is placed in context with surrounding events and the customs of the day and its imagery and symbolism explained using Scripture to deduce and interpret its meaning The Potter and His Clay Alan J. Burns, 2008-05 The Potter and His Clay How To Know God s Present Purpose For Your Life Now Starting Well and Finishing Strong The Christian Grace Race Written from a heart to help all believers discover and know the perfect will of God for their lives Some who have discovered His will have been sidetracked and detoured from it In a marathon it is not how you start the race but how you finish This book is a study of the process in making clay pottery in ancient times and how in allegorical language it relates to the spiritual journey of our Christian life today The ultimate goal of this book is to give scriptural guidelines on how to help you finish the Grace Race and complete God s destiny for your life Your message is so timely and powerful Wow I pray that your book will make it into the hands and hearts of everyone who so desperately needs to read it I agree with you that we are living in somewhat of a paradoxical time Sometimes it seems as though everyone has given up on revival and living for Jesus Yet we also live in a time where so many hunger for more Your book sounds an alarm while simultaneously raising a banner of hope for those who think true Christianity has done nothing but disintegrate Michael and Kathy from Plano TX Alan Burns is founder and director of Rivers of Life Outreach Ministries He is involved in conducting training and equipping conferences internationally Alan is the author of two other books on Evangelism and another on Spiritual Gifts Alan lives in Plano TX with his wife Alisa and their four children He graduated from Christ for The Nations Institute in 1980 and is an Evangelist Teacher and Worship Leader **The black ship: with other allegories and parables** Elizabeth Rundle Charles, 2025-04-24 In The Black Ship With Other Allegories and Parables Elizabeth Rundle Charles weaves a rich tapestry of moral and philosophical themes through the use of allegory This collection explores the complexities of human experience

grappling with moral dilemmas that resonate across cultures and epochs Charles employs a vivid anecdotal style reminiscent of the early Victorian period infusing her narratives with a sense of urgency and introspection Each parable serves as a potent reminder of the timeless struggles between good and evil faith and doubt ultimately inviting readers to reflect on their personal journeys amid a rapidly changing world Elizabeth Rundle Charles was a noted novelist and writer in the 19th century often drawing on her experiences as a woman of faith and intellect in a patriarchal society Notably her writings often reflect her commitment to the moral and spiritual upliftment of her readers a perspective shaped by her own encounters with the trials of life Her keen observations and empathetic characterizations demonstrate a powerful engagement with the ethical implications of choices made both individually and collectively I wholeheartedly recommend *The Black Ship* to those who seek a thoughtful exploration of life's moral landscapes Charles's work not only captivates the imagination but also challenges the reader to ponder profound truths about human existence This collection is essential for anyone interested in the intersection of literature faith and social commentary

***The Parables of Paul*** Dr. J. Ellsworth Kalas, 2015-04-15 For over 2 000 years the church has looked to the apostle Paul and his letters in order to understand and follow the Christian life Paul had his own compelling way of sharing Jesus message with others through the use of the metaphor a brief imaginative word picture that shows the same truth as a longer story From casting himself in the role of a slave to presenting the Christian as a soldier or an actor or even showing how we are vessels in the King's house Paul's gallery of enriching life changing story pictures paints for us an indelible picture of the Christian faith

***The Parables of the Old Testament*** Clarence Edward Noble Macartney, 1926

***Woven Parables of Wisdom*** Alander Lee Pulliam Jr, 2024-08-01 In a world that often glorifies busyness and relentless pursuit we find ourselves caught in an endless cycle of overwhelm striving to juggle countless responsibilities while feeling perpetually behind In *The Balance of Effort* Alander Lee Pulliam Jr invites readers to step back and reevaluate the age old adage less is more This book explores the wisdom in prioritizing what truly matters over the frantic hustle that society champions Drawing from timeless parables and rich life experiences Pulliam underscores the significance of understanding our limits and embracing the power of collaboration He offers profound insights through the tale of the Busy Ant and the Slow Tortoise two creatures representing contrasting approaches to work and life The Busy Ant tirelessly takes on too much struggling to keep her head above water while the Slow Tortoise chooses a more deliberate measured path recognizing that true success stems from balance and support As you journey through these pages you'll discover not only the pitfalls of overcommitment but also the strength that comes from asking for help working thoughtfully and celebrating the incremental progress Let this book be your guide toward a more fulfilling and harmonious existence one where you can embrace your responsibilities without sacrificing your well being Join Alander Lee Pulliam Jr on a transformative path towards clarity purpose and the realization that sometimes to truly move forward we may need to slow down Welcome to a new perspective on life work and the beauty of finding balance

***The Teaching of the Prophets*** Charles

Arthur Hawley,1924     Layman's (Laywoman's) Study of the Parables of Jesus Christ Mary Bullock Carter,2011-02-10 The Parables are indeed a good way to know Jesus on a more personal level By doing more than just reading them STUDYING THEM you can learn the thoughts that were close to His heart You can become more familiar with the things He thought were important You can realize that He not only expects you to walk in God s will but you will learn that He has told you how to do that He never expected you to live to a certain standard without telling you how to accomplish it All we have to do is study His word It is His promise that all things are possible even walking in His will     Outlines of sermons on the miracles and parables of the Old Testament, by a London minister [W. Harris]. W. Harris,1878     **Everyday Parables** James Taylor,1995 Discover the divine in loss and grief and everyday chores with James Taylor s Everyday Parables In his distinctive way James writes inspiring and heart warming prose     **Parables of the Barrio** Juan M. Ryder Smith,2009-11-01 In this volume Dr Ryder Smith continues his series of studies in great Bible doctrines Its main subject is Grace and he examines afresh the meaning and use of such terms as chesed in the Old Testament and charis in the New not forgetting the Septuagint But there are chapters also on doctrines closely related to Grace under such titles as Trial Temptation and Discipline Election and The Fellowship of God with Man in Christ In his chapters on Righteousness in Sinners and Sin in Believers he maintains that the full Christian doctrine is nowhere drawn out in the New Testament but that it may be deduced from scattered references In his discussion of Sin in Believers he claims that Paul taught what some may consider a heresy namely that in what may be called conversion baptism a believer was wholly cleansed from sin In many ways this volume is complementary to Dr Smith s last volume The Bible Doctrine of Sin and like all his work it is the fruit of sound knowledge deep scholarship and penetrating insight     **Teaching with Harry Potter** Valerie Estelle Frankel,2013-03-07 The Harry Potter phenomenon created a surge in reading with a lasting effect on all areas of culture especially education Today teachers across the world are harnessing the power of the series to teach history gender studies chemistry religion philosophy sociology architecture Latin medieval studies astronomy SAT skills and much more These essays discuss the diverse educational possibilities of J K Rowling s books Teachers of younger students use Harry and
