One morning, Moxie the rabbit and Pluck the lizard talked to the fox and the rat. "Bluster has such a big, beautiful voice. Surely, he can share it with us," said Moxie. They agreed. Bluster should share his voice with them. It was such a big voice. Each animal could have just a small piece of it. Bluster could share his voice with each animal. The animals talked and talked late into the afternoon. They made a plan to take Bluster's voice. They decided not to tell the birds. But, they didn't have to tell them!
