

My Hobby Paragraph

A hobby is something which we do in our free time. My hobby is drawing. I like drawing since my childhood. I got the first prize in the drawing competition of my school. I mostly draw pictures of people, animals, birds, flowers, mountains, etc. I also like to draw pencil sketches. I find drawing very interesting and it gives me pleasure. Drawing serves as a medium for the expression of my creativity. The habit of drawing makes us creative people. I have so many types of colour pencils, crayons, water colours, and sketches. I would like to become an artist when I grow up.
