K. Timms,2014-05-25 The Followers seemed like the salvation Some saw them as an ecological organisation Some saw them as a religion Some saw them as an all controlling fanatic cult Those who saw them as a fanatic cult were swiftly eliminated or controlled with medication Within twenty five years they had control of every major planet in every galaxy The old order was broken down and the new order established Their control as nearly complete Many years ago an eccentric millionaire had foretold their arrival He set up Mission Command a military style organisation to combat what he claimed was a threat He was branded a lunatic but as more and more people lose their freedom and ability to think for themselves they are now turning to Mission Command for help Will it be too late Will they make a difference And what of the enigmatic True Prince Will he and those who flock to his banner be able to turn things around Or is it too late Phoenix Martin Allen,2013-07-01 As the pyres of the Inquisition burned the faith of Decimus Vespilo did not waiver Holding to the tenants of his training he remained detached from that which he visited on others Assigned to an Investigation he deemed beneath him he is caught up not only in a rapidly growing movement but a conspiracy that could destabilise the teachings of the temple to which he devoted his life Is the mysterious

preacher the Phoenix a threat or the salvation he has been subconsciously seeking since consigning his own grandfather to the flames when just a child As his ties to the movement grow stronger during his undercover investigation will his affection for Histar sway his course The emergence of a Shadowy mastermind casts a sinister foreboding to Decimus s mission as his every move is predicted and countered Could it be the Phoenix is an unexpected ally to forestall the inhuman manoeuvring of those seeking to subvert the original message of the Empire Manoeuvring that has been bastardising this message for years so much so that the original is lost and incompatible Decimus must decide between his beliefs and the Empire he has been trained to protect at all costs
