

Resurgence of Conservatism

CHAPTER 25

1980-1992

Resurgence Of Conservatism Summary

Matthew McManus

Resurgence Of Conservatism Summary:

The Resurgence of Conservatism in Anglo-American Democracies Barry Cooper, Allan Kornberg, William Mishler, 1988 This work presents analyses by experts on the rise of a new tide of conservative governments in the United States Canada and Great Britain in an attempt to find what if any common ideologies and programs unite them with what results in terms of institutional change and policy direction have been and what are the prospects for permanent change

Summary: The Rise and Fall of Modern American Conservatism BusinessNews Publishing, 2017-01-30 The must read summary of David Farber's book *The Rise and Fall of Modern American Conservatism A Short History* This complete summary of *The Rise and Fall of Modern American Conservatism* by David Farber a renowned professor of history presents the author's gripping account of the rise and fall of the right wing political movement through the careers of six leading figures ending with the historic election of Barack Obama The book provides rare insight into how conservatives captured the American political imagination by downplaying economic inequality and embracing patriotism and nationalism Added value of this summary Save time Understand the motivations of conservatism Expand your knowledge of American politics and history To learn more read *The Rise and Fall of Modern Conservatism* and discover the recent history of a profoundly violent and powerful political movement

The Rise and Fall of Modern American Conservatism David Farber, 2012-08-26 The story of modern conservatism through the lives of six leading figures *The Rise and Fall of Modern American Conservatism* tells the gripping story of perhaps the most significant political force of our time through the lives and careers of six leading figures at the heart of the movement David Farber traces the history of modern conservatism from its revolt against New Deal liberalism to its breathtaking resurgence under Ronald Reagan to its spectacular defeat with the election of Barack Obama Farber paints vivid portraits of Robert Taft William F Buckley Jr Barry Goldwater Phyllis Schlafly Ronald Reagan and George W Bush He shows how these outspoken charismatic and frequently controversial conservative leaders were united by a shared insistence on the primacy of social order national security and economic liberty Farber demonstrates how they built a versatile movement capable of gaining and holding power from Taft's opposition to the New Deal to Buckley's founding of the *National Review* as the intellectual standard bearer of modern conservatism from Goldwater's crusade against leftist politics and his failed 1964 bid for the presidency to Schlafly's rejection of feminism in favor of traditional gender roles and family values and from Reagan's city upon a hill to conservatism's downfall with Bush's ambitious presidency *The Rise and Fall of Modern American Conservatism* provides rare insight into how conservatives captured the American political imagination by claiming moral superiority downplaying economic inequality relishing bellicosity and embracing nationalism This concise and accessible history reveals how these conservative leaders discovered a winning formula that enabled them to forge a powerful and formidable political majority Some images inside the book are unavailable due to digital copyright restrictions

Postwar American Fiction and the Rise of Modern Conservatism Bryan

M. Santin, 2021-03-11 Bryan M Santin examines over a half century of intersection between American fiction and postwar conservatism. He traces the shifting racial politics of movement conservatism to argue that contemporary perceptions of literary form and aesthetic value are intrinsically connected to the rise of the American Right. Instead of casting postwar conservatives as cynical hustlers or ideological fanatics, Santin shows how the long-term rhetorical shift in conservative notions of literary value and prestige reveal an aesthetic antinomy between high culture and low culture. This shift, he argues, registered and mediated the deeper foundational antinomy structuring postwar conservatism itself: the stable social order of traditionalism and the creative destruction of free market capitalism. Postwar conservatives produced in effect an ambivalent double register in the discourse of conservative literary taste that sought to celebrate neo-aristocratic manifestations of cultural capital while condemning newer, more progressive manifestations revolving around racial and ethnic diversity. An Ideological Analysis of Breastfeeding in Contemporary America Loreen N. Olson, Jenni M. Simon, 2019-12-19 An Ideological Analysis of Breastfeeding in Contemporary America: Disciplining the Maternal Body analyzes the discourses involved in the pro-breastfeeding breast is best paradigm, highlighting how such politically charged rhetoric restrains women's ability to make the choices that are best for them and their families. Loreen Olson and Jenni M. Simon combat the idea that is so often espoused by medical professionals, researchers, and society at large: to be a good parent, one must provide breast milk to the infant in order for the baby to grow into a healthy, productive citizen. By exposing the biases present, Olson and Simon advocate for the need to make discursive space for all parents and all feeding choices. Scholars of communication, rhetoric, gender, and women's studies, and feminism will find this book particularly useful. The Rise of Post-Modern Conservatism Matthew McManus, 2019-08-29 This book is designed as a timely analysis of the rise of post-modern conservatism in many Western countries across the globe. It provides a theoretical overview of post-modernism, why post-modern conservatism emerged, what distinguishes it from other variants of conservatism, and differing political doctrines, and how post-modern conservatism governs in practice. First, developing a unique genealogy of conservative thought, arguing that the historicist and irrationalist strains of conservatism were ripe for mutation into post-modern form under the right social and cultural conditions, then providing a new, unique theoretical framework to describe the conditions for the emergence of post-modern conservatism. The Rise of Post-Modern Conservatism applies its theoretical framework to a concrete analysis of the politics of the day. Ultimately, it aims to help us understand the emergence and rise of identity-oriented, alt-right movements and their populist spokesmen, particularly in the United States, the United Kingdom, Hungary, Poland, and now Italy. *Jerry Falwell and the Rise of the Religious Right* Matthew Avery Sutton, 2018-12-27 As one of the most media-savvy ministers in U.S. history, Jerry Falwell figured prominently in the political mobilization of religious conservatives in the 1970s and early 1980s. Falwell's life and work touched on almost all of the major issues of the time period: the cold war, changing gender roles, civil rights, the revitalization of American conservatism, and the Reagan revolution. In his introductory essay, Matthew Avery Sutton traces

Falwell's politicization and rise to celebrity status using Falwell as a lens through which to view the larger movement. More than two dozen primary documents focus on the Religious Right's emergence in the 1970s as a powerful political force and present students with first-hand accounts of the era's culture wars. The thematically arranged documents including sermons, letters, speeches, interviews, court documents, and children's books provide an up-close look at the motivations and aspirations of the Religious Right. Photographs, document headnotes, a chronology, questions for consideration, and a selected bibliography provide additional pedagogical support.

New York State and the Rise of Modern Conservatism Timothy J. Sullivan, 2008-12-01 From the early 1960s until 1980 New York's Conservative and Republican Parties battled on the editorial page, at the ballot box, and in the courts over the ideology of the GOP. New York State and the Rise of Modern Conservatism recounts the story of how New York, reputedly the most liberal of all states, played a critical role in conservatism's political ascendancy and in the redrawing according to ideology of the country's party lines. Examining the colorful personalities central to the transformation, including Governor Nelson Rockefeller, William F. Buckley Jr., John Lindsay, Roy Cohn, Jackie Robinson, Clare Booth Luce, G. Gordon Liddy, and William Casey, author Timothy J. Sullivan recounts the details of the party's battle—a battle that ultimately forced the state's liberal Republicans to choose between their party and their ideology, resulting in a reliably conservative national GOP prepared to nominate Ronald Reagan.

American Conservative Augustus P. Lowell, 2016 Carson, Christie, Rubio, Cruz, Trump: This is the best we can do. This is what passes for conservatism these days. When did that once honorable political tradition become so narrow, boorish, and ignorant? It's time to take the conversation back. Conservatism can be intelligent and thoughtful. There is an alternative to the excesses of liberalism that doesn't require us to turn the clock back a century that isn't tied to religion, that embraces a responsibility for society and culture that isn't terrified of change, and that speaks to the commonalities we share instead of dividing us into tribes. Conservatives and liberals could work together if they would take an honest look both at each other's beliefs and at their own. In the 2016 Presidential primary season, half the Republican candidates were clowns, and the rest were, if not actually clowns, giving every appearance of bowing to the ringmaster and piling into the clown car. They called themselves conservative, but their understanding of what that means seemed shallow and opportunistic. There was a parody of conservatism that mocked the real thing. Yet it seems most people take them at their word and grant them the authority they assert for themselves, not merely that they are conservative, but that their brand of conservatism is the entirety of conservatism, not merely that they are conservative, but that they speak for all conservatives. It is infuriating. And it is wrong. There are many books about politics, but most of them contain either dryly academic pedantry or overtly partisan persuasion. This book is neither. It is a polemic of a sort, but the intent is not to persuade people to vote conservative or that conservatism is completely right. It is to persuade people that conservatism has something worthwhile to say to them, that conservatism is not what its most abhorrent spokesmen claim it to be. The intent is to change the conversation. If that changes the outcome so much the better.

Summary of Heather Cox Richardson's How the South Won the Civil War Milkyway Media,2024-02-14 Get the Summary of Heather Cox Richardson s How the South Won the Civil War in 20 minutes Please note This is a summary not the original book How the South Won the Civil War by Heather Cox Richardson offers a comprehensive examination of American democracy s evolution highlighting the enduring influence of oligarchic values from the Civil War through the mid 20th century The narrative begins with the depiction of Western individualism and transitions into an analysis of the transformative impact of the New Deal which aimed to create a more equitable society through government intervention

The Brief and Turbulent Life of Modernising Conservatism Stuart Mitchell,2008-12-18 The Brief and Turbulent Life of Modernising Conservatism is an examination of government tensions and frustrations during a time of economic and social flux It concentrates on the development of domestic industrial policy in the Conservative Party between 1945 and 1964 with particular emphasis on Harold Macmillan s and Sir Alec Douglas Home s administrations Between the general elections of 1959 and 1964 the Conservative Government effected a series of striking and dangerously controversial policy transformations in response to its recognition of Britain s relative economic decline These adjustments were both practical and strategic The administration s aim was extraordinarily ambitious It sought to fashion a recognisably modern and dynamic yet socially stable nation that could retain its place in the international lite Thereby the Party hoped to ensure its own continuation in power The author considers policy innovations that included an ill starred attempt to join the European Community the development of macro economic planning and the abolition of resale price maintenance an exploit which roused the Tory Party to unusual heights of passion The book does not simply regurgitate an orthodox high political narrative Instead it investigates topics of interest to modern historians and political scientists alike It will be of value to anyone interested in questions of modern political ideology social and economic change the nature of popular political support or the constraints on state power in the post war world

The Conservative Resurgence and the Press James Brian McPherson,2008-07-09 Consumers of American media find themselves in a news world that has shifted toward more conservative reporting This book takes a measured historical view of the shift addressing factors that include the greater skill with which conservatives have used the media the media s gradual trend toward conservatism the role of religion and the effects of media conglomeration The book makes the case that the media have managed to not only enable today s conservative resurgence but also ignore largely the consequences of that change for the American people

Needed System Supports for Achieving Higher Education Equity for Black Americans United States. National Advisory Committee on Black Higher Education and Black Colleges and Universities,1981

Christianity: A Brief History Michael D. Robinson,2019-06-14 Christianity is one of the world s great religions with more than two thousand years of history and over two billion adherents worldwide But what is Christianity Where did it come from How did it develop to its current forms What doctrines do Christians affirm What ethical norms do they endorse What relationships between church and state do

they champion and why What changes have transpired for the faith over the centuries And what new challenges does Christianity face in the contemporary world These and other questions are addressed in Michael Robinson s Christianity A Brief History After a concise description of the social political and religious world of first century Palestine the text quickly examines the Jesus of history and tradition including Jesus impact upon his first century followers the narrative then moves to describe the expansions and developments of Christianity through the ancient medieval modern and contemporary eras Along the way readers learn of the varied beliefs mores rituals struggles and triumphs of the faith as well as of the spiritual heights and moral blunders of its people Robinson s intention is to introduce Christianity through its story and through those who lived it

A Dictionary of Conservative and Libertarian Thought (Routledge Revivals) Nigel Ashford, Stephen Davies, 2012-06-25 First published in 1991 this is a reissue of the path breaking Dictionary of Conservative and Libertarian Thought the first book to examine the ideals and arguments produced by the intellectual traditions of both conservatism and classical liberalism Covering the ideas of many such distinguished thinkers as Hayek Scruton Friedman and Buchanan the volume provides a valuable survey of the historical development of both schools of thought in all of the major western countries and their contributions to contemporary debates From American Conservatism to French Liberalism Invisible Hand to Organic Society from Scientism to Scepticism and Utopianism to Voluntarism this is a vital work whose reissue will be welcomed as much by the keen layperson as by students of political science the history of philosophy economics and public policy

The Surge of the Right: Unraveling Conservatism's Resurgence in America Pasquale De Marco, 2025-07-12 In The Surge of the Right Unraveling Conservatism s Resurgence in America acclaimed political analyst Pasquale De Marco takes a deep dive into the resurgence of the Right in American politics From the rise of Ronald Reagan and the conservative revolution of the 1980s to the election of Donald Trump and the Tea Party movement Pasquale De Marco examines the factors that have contributed to the Right s resurgence and the impact it has had on American society and politics Pasquale De Marco argues that the rise of the Right is a complex phenomenon with no easy explanations However he identifies a number of factors that have contributed to its resurgence including the decline of the traditional family the rise of social issues and the changing demographics of the American electorate Pasquale De Marco also examines the impact that the Right has had on American society and politics He argues that the Right has been able to enact policies that favor the wealthy and powerful while cutting taxes and social programs for the poor and middle class This has led to a widening wealth gap and a decline in social mobility Pasquale De Marco also argues that the Right has been able to stack the courts with conservative judges who have overturned Roe v Wade and other landmark decisions This has led to a rollback of civil rights and liberties and a rise in discrimination against women minorities and LGBTQ people The Surge of the Right is a timely and insightful analysis of the resurgence of the Right in American politics Pasquale De Marco provides a comprehensive overview of the factors that have contributed to the Right s resurgence the impact it has had on American society and politics and the

challenges it faces in the 21st century This book is essential reading for anyone who wants to understand the current political landscape in America If you like this book write a review

Rise of Baptist Republicanism Oran P. Smith,2000-05 In its emerging Republicanism the SBC has taken on characteristics of its more active fellow travelers in the Christian Right forging alliances with former enemies African Americans and Roman Catholics playing presidential politics establishing a Washington lobbying presence working the political grassroots and declaring war on Walt Disney Each of these missions has been accomplished with calculating political precision

A Comparative Analysis of Systems of Education Law Charles J. Russo,Leijun Ma,2024-05-08 This book focuses on enhanced educator awareness of issues involving the status of the right to education as guaranteed by various legal systems throughout the world in light of the growing interest in comparative and international studies including the law Consequently this interdisciplinary comparative book which includes original chapters by leading academicians with expertise in law and education is designed to serve as a resource for researchers in education and law as well as policymakers and students To this end the book provides readers with an enhanced awareness of the nature of legal systems impacting education throughout the world Education is the driving force of the world development as well as the basic way to realize human rights and values At the same time law plays an important role in the protection evaluation guidance and promotion in the process of the development of education The book thus has interdisciplinary appeal Various audiences will find this highly accessible book informative and valuable including scholars with an interest in Education Law university faculty and classes whether involved in teacher preparation or educational leadership legal practitioners and university libraries

Organized Resistance: The Rise of Conservative Ideologies Pasquale De Marco,2025-05-14 Organized Resistance The Rise of Conservative Ideologies is a comprehensive examination of the rise of conservatism in America It traces the origins evolution and impact of conservative ideology on various aspects of American life including social justice education environmental protections healthcare and labor rights The book sheds light on the strategies and tactics employed by conservative think tanks foundations and media outlets to advance their agenda It exposes the insidious ways in which conservative forces have sought to undermine the rights of minorities women and the poor The book also examines the conservative reshaping of the courts which has resulted in the erosion of privacy rights voting rights and reproductive rights Beyond its critique of conservative policies Organized Resistance The Rise of Conservative Ideologies offers a roadmap for resistance It highlights the rise of progressive movements the power of grassroots organizing and the importance of electoral politics in countering the conservative agenda The book emphasizes the crucial role of education and media literacy in empowering citizens to make informed decisions and hold their leaders accountable In an era marked by political polarization and division Organized Resistance The Rise of Conservative Ideologies provides a timely and essential analysis of the conservative movement It is a call to action for all who believe in a more just and equitable society By understanding the forces that have shaped the conservative ascendancy we can better equip

ourselves to challenge their agenda and work towards a more progressive future for America Organized Resistance The Rise of Conservative Ideologies is a must read for anyone interested in American politics social movements or the future of democracy Its incisive analysis and clear prose make it an invaluable resource for scholars activists and concerned citizens alike If you like this book write a review on google books *Brothers of Italy and the Rise of the Italian National Conservative Right under Giorgia Meloni* Salvatore Vassallo,Rinaldo Vignati,2024-03-29 This book is an in depth study of Fratelli d Italia the party led by Italian Prime Minister Giorgia Meloni After providing a concise history of the neo fascist and post fascist parties to which Fratelli d Italia is heir the book examines its founding statutory rules and internal organisation The authors explore Meloni s communication style and the national conservative ideology she has embraced Fratelli d Italia s international network of alliances and its place in EU politics and the composition of the electorate that led to the success of her and the party in the 2022 parliamentary elections Through well documented rigorous and impartial analysis the book offers insights into the path Fratelli d Italia has taken and the identity it has built in its first ten years explaining why a political tradition that seemed destined for extinction has come to power and is now attempting to change coalition politics in the EU In doing so the authors challenge several entrenched assumptions about populist and radical right wing parties The Italian edition of the book was reviewed in national newspapers and other media garnering praise from a wide range of political perspectives

Resurgence Of Conservatism Summary Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Resurgence Of Conservatism Summary free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Resurgence Of Conservatism Summary free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Resurgence Of Conservatism Summary free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Resurgence Of Conservatism Summary. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a

vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Resurgence Of Conservatism Summary any PDF files. With these platforms, the world of PDF downloads is just a click away.
