Revelation A Mid Tribulation View:

Revelation's Seal Team Six Christopher Walls, 2021-11-23 Yes the Bible really says that all living believers will suddenly be snatched away when Jesus appears in the sky for the Rapture Will this happen before after or during what is known as the Great Tribulation Multiple New Testament passages provide the answer with clear and precise language and yet Christians have debated this topic for generations It s time to set our assumptions aside and allow Scripture to speak as we find the true biblical order of end time events

Revelation: A Mid-Tribulation View Tan Geok Hock, 2014-09-28 Many readers acknowledge difficulty in understanding the book of Revelation Some avoid it altogether Part of the problem may be a tendency among interpreters to use prophecies from other parts of the bible especially the Old Testament to dictate how we should read Revelation This commentary treats Revelation as a self contained and internally consistent work More emphasis is placed on the natural reading of the text than on similar words and images from other sources Context and structure take priority over theological presuppositions about the end time The result is a pleasant surprise It becomes clear that John organises and develops his thoughts in a systematic way The visions no longer appear so mysterious when read in this light It helps us to sieve through the different interpretive approaches that have contributed to our confusion over this book Whether or not readers agree with its conclusions the hope is that this short commentary will help some to no longer feel intimidated by the book of Revelation but to confidently return to it over and over again to be blessed by its message

Post Tribulation Rapture Roy W. Abernethy, 2008-04 Every person on Earth will one day stand before God and give an account of what they have done whether it be good or evil in addition to their acceptance or rejection of Jesus Christ the Son of God as their personal Saviour Whether or not you believe it Jesus Christ is coming back again to judge the world for their iniquity That s what God s prophets have said and His prophets have never been wrong From a pre millennial viewpoint Post Tribulation Rapture evaluates the three major positions regarding the timing of the return of Jesus Christ to Earth in relation to the final seven years of man s history Will there be signs of Christ s

coming Will everyone see Him coming Does Christ return two more times What is the Day of the Lord Who are the elect people on Earth When will the Antichrist be revealed Is the return of Christ imminent Who will populate the kingdom What are the three main rapture positions How do they differ Who is the restrainer Post Tribulation Rapture includes fourteen detailed charts and an extensive glossary dictionary defining the most commonly used phrases and terms in Bible prophecy

Exposing the Fallacies of the Pre-Tribulation Rapture Billy Broadwater, 2014-06-20 The Pretribulation Rapture theory has had a foothold on many Christians in America for over a hundred years This teaching is not allowed to be challenged in many Christian circles Exposing the Fallacies of the Pretribulation Rapture takes the building blocks of this theory and dismantles them one by one in a serious thought provoking analogy of this doctrine Is the seven year tribulation really a biblical term Is the church literally raptured in Revelation chapter 4 Are there signs that precede the return of Christ Is the rapture really an invisible event Are Christians exempt from tribulation Where did the true roots of the pretribulation rapture come from What does the day of the Lord have to do with the rapture These questions and many more are answered in Exposing the Fallacies of the Pre Tribulation Rapture Not only is there a thorough examination of the rapture but also a detailed account is given of the numerous discrepancies among leading pretribulation teachers over Bible passages on the second coming Billy Broadwaters in depth Bible based research for over twenty years brings home the truth about the rapture

Hock,2016-08-24 Most readers of the bible book of Daniel confine themselves to the inspiring stories in the first half Those who go on to read the visions in the second half find them difficult to understand let alone reconcilable with the prophecies in the book of Revelation This short commentary seeks to show that both goals are achievable Not only that it warns us that we may be living in the last thirty days of the church age Only when we realise this will we truly appreciate the value of the stories in the first half *The Rapture: Don't Be Deceived* Billy Crone,2016-07 If there s one thing you don t want to be deceived about in life it s the Biblical truth concerning the Rapture The Bible says that for those who are left behind after this next great event on God s end time prophetic calendar they will be thrust into the 7 year Tribulation which is not a party Rather it s an outpouring of God s wrath upon this wicked and rebellious planet which will soon turn into mankind s greatest nightmare Unfortunately there seems to be multitude of opinions out there concerning the purpose and timing of the Rapture which is starting to cause a lot of unnecessary confusion and division Therefore *The Rapture Don t Be Deceived* takes a detective s approach towards the Biblical teaching of the Rapture and examines the many Scriptural facts surrounding it

situations There is nothing grander or more splendid than God's story This book is not a comprehensive study of the Bible therefore it is not a blow by blow account of every book and every story Rather it is a sweeping glance at what the Bible offers We can only know the heart of God who God truly is and understand His commandments His teachings His truths and values when we study and know the Word The Bible is truly God's Word and should shape our lives daily If one reads the Bible as led by the Spirit without a preconceived bias for finding errors or based on one's education or understanding one will find it to be a coherent consistent and relatively easy to understand book of God It is the Truth and so it is the light and lamp unto our feet and path The Bible must be treated by disciples as all sufficient and inerrant without error to lead us guide us teach us and show us the way and the will of God The Word of God is real alive and powerful and the final authority on God's will As believers of God we must know the Word study it love it cherish it and abide by it for it is the source of eternal life faith salvation freedom spiritual food growth blessedness purity guidance comfort spiritual victory assurance and of joy May we know it to find our purpose and the meaning of life according to a great and awesome God **na** , What's Next? from cigarettes drugs and alcohol The author was forced into early retirement and told he had three years to live in 2003 Fourteen years later after three strokes two heart attacks six heart surgeries and finally diagnosed with diabetes in 2015 which miraculously disappears in thirty days she claims to have found a useable power that heals guides and protects his life to this very day Bible Discoveries and Revelations is written from a skeptical viewpoint not from a brainwashed seminary student or doctor of theology To the author it is not true unless you can show Bible and verse Your burning questions about prophecy does God test man and can America be found in the Bible will be shown to you in Bible Discoveries and Revelations

Solving Scripture Neil Nolte, 2023-11-27 What we believe matters Even nonessential doctrine can influence how we live our lives So how do we know that what we believe is true This book uses a Sudoku analogy to answer that question It tells you how to spot mistakes in a truth puzzle why we make those mistakes and why they are often never corrected You will learn how to best interpret Scripture and the most common reasons for misinterpretations Those concepts are then applied to three topics in the Bible where Christians can and often do disagree Along the way you just may discover that getting the right answer is not what matters the most But it sure doesn't hurt
