*Revelations of My Heart* Kimberly E. M. Beasley, 2014-11-23 Rejection triumph passion love and heartache In this book of poems prayers notes and quotes it s a roller coaster of emotions and God is the engineer It s a subtle reminder that no matter what we go through there is a testimony to every test You can feel the warmth in your heart as every page turns This book was inspired over 17 years ago Everything that was inspired to be written over the years has fit perfectly in this compilation I can t take credit for all of this I was the vessel used but life and God definitely fostered these words God truly determined every one of my steps So many times my husband has said that I should do something with my writing He has been one of my biggest fans I have always enjoyed writing and secretly wanted to write a book but truth be told I was really afraid of possible rejection It wasn t until I was faced with some life altering events in 2013 I decided no longer will I be concerned about other people accepting me nor pleasing them any longer A cancer diagnosis will definitely get you to reevaluate your life s purpose and mission I realized that I had devoted many years to people pleasing and forgot all about me It was a bitter pill to swallow when I was diagnosed with cancer and all the people I thought would be there to support me weren t there I realized that I expected them to respond how I would have responded had it been one of them battling a potentially fatal disease I felt abandoned in more ways than one My life was spiraling out of control and it was nothing I could do about it I was wounded by some of those who claimed to have loved me so much Instead of focusing on and picking those wounds I opened my heart to forgiveness and the love that had been strategically placed around me I noticed how prayers that I had prayed several years prior had been answered I saw relationships that I desired being cultivated and some aspects of others end I had no idea of the blessing that would come from what seemed to be such a disaster God knew exactly what I needed at that time in order to comfort me and I found solace with my pad and pen The pressures of life pushed me to pull out old journals of poetry and pressed me to push my pen The outcome was *Revelations Of My Heart* In *Revelations Of My Heart* Love is the central theme and it is an intimate collection of poems prayers notes and quotes Every word was inspired by my life experiences special people in my life and the love I withheld from myself I ve learned that the way I treat myself is the only way I really can treat others anything else is deceptive I couldn t love my fellow man as myself because I withheld love from myself I am no longer deceptive and I m not ashamed or afraid of my truth *Revelations of My Heart* has given me courage to be who I am Nothing more nothing less My experiences no longer define me I have finally defined myself My desire is that you are able to visualize the passages that I ve penned and find hope throughout the journey *The Northrop Frye Quote Book* Northrop Frye, 2014-02-24 Here is a specialized dictionary of quotations based on the thoughts and writings of a single person It is evidence that there is a Canadian writer of whom it may be said that we as his readers can grow up inside his work without ever being aware of a circumference *Spiritual Poetry* Joe K. Smith, 2012-02 The poems contained in this book are without a doubt divinely inspired and very spiritually uplifting The Author has poetically taken stories or passages from books of the

Bible and in a most articulate way have upheld scriptural accuracy while maintaining poetic artistry Not only does this book highlight interesting stories from the Old Testament but emphasizes the Grace of God and of the New Testament proclaims the Gospel of Jesus Christ and of the pain He bore so that we might have everlasting life This is one of the most unique works of literature to come down the pike in a long while It is a must not only for your Christian library but also as an excellent gift to an unsaved friend or loved one
