

REVIEW OF RELATED LITERATURE

CHAPTER 2

INTRODUCTION

This review of literature includes an assessment of my dream to become a successful tourist. My dream, when I was young, was to be a police officer but when I entered high school my dream was to be in tourism. My dream of becoming a tourist is not only to earn money; I also want to explore the world. I want to examine this passion since I am aware that many individuals share my desire to become a tourism or flight attendant, and I want to provide a written report on this subject for those people so that people like me may better understand the process of becoming skilled in tourism.

ABSTRACT

People are now more enthusiastic about all kinds of activities and will travel large distances to participate in those that pique their interest. Events may and should be utilized efficiently by managers in a tourist capacity as they provide several benefits for the destinations' economy and society. It is already widely accepted that to fully realize the potential of events for tourism, each community and vacation destination needs to approach event tourism with a long-term, strategic strategy.

IMPORTANCE OF BEING A TOURISM

In every country in the world, the importance of tourism is visible. There is no questioning the worth of this business, from the positive economic effects that tourism has on the local community to the pleasure that it provides for travelers. From the viewpoints of both the tourism sector and the traveler, the value of tourism may be seen. In this article, I'll go into insight more about the benefits of the tourism sector for both businesses and travelers, as well as why it's so crucial on a worldwide level.

EXAMPLE OF BEING TOURISM

An example of what is called tourism is taking a vacation in Hawaii. Inbound visitors are those who travel to BC from outside the province. To draw visitors from nations like the United States, Japan, Germany, and many others, BC competes on a global scale.

DEFINITION

Tourism is the theory and practice of traveling, the business of attracting, entertaining, and welcoming tourists, as well as the business of leading tours. Tourism can be done for leisure or business objectives. According to the World Tourism Organization, tourism is more widely defined as "going to and staying in places outside their typical surroundings for leisure, not much
