## **Navigating Epic Electronic Medical Record Users Guide:**

**A Woman's Guide to Navigating a Successful Career in Healthcare Information Technology** Jeffery Daigrepoint, 2024-06-19 This book features over 50 of the industry's brightest female pioneers who share insightful lessons backed by several years of experience as well as tips for navigating a successful career in HIT. The intent of this book is to provide the opportunity to capture stories from highly successful women to inspire the next generation who want to pursue a career in HIT and to inspire those already working in the field who are eager to advance in their careers. This book also provides insights on industry opportunities, ways to deal with harassment, the history of female tech innovators and negotiating competitive salary and employment agreements. Additional industry experts provided guidance on tapping into venture capital funding and tools for career development. A comprehensive resource guide and glossary of industry terms are also included. Co-authors included Amy Sabillon MSI, Ayanna Chambliss CAP, SHRM-CP, Lindsay Rowlands MHA and Stacey B. Lee JD.

**The Health Care Handbook** Elisabeth T. Askin, Nathan Moore, 2022-11-21 Described in the New York Times as an astonishingly clear user's manual that explains our health care system and the policies that will change it, *The Health Care Handbook* by Drs. Elisabeth Askin and Nathan Moore offers a practical, neutral and readable overview of the U.S. health care system in a compact, convenient format. The fully revised third edition provides concise coverage on health care delivery, insurance and economics, policy and reform, all critical components of the system in which health care professionals work. Written in a conversational and accessible tone, this popular, highly regarded handbook serves as a one-stop shop for essential facts, systems, concepts and analysis of the U.S. health care system, providing the tools you need to confidently evaluate current health care policy and controversies.

**Health Informatics - E-Book** Lynda R. Hardy, 2022-12-02 American Journal of Nursing (AJN) Book of the Year Awards 1st Place in Informatics 2023. Selected for Doody's Core Titles 2024 in Informatics. Learn how information technology intersects with today's health care. *Health Informatics: An Interprofessional Approach*, 3rd Edition, follows the tradition of expert informatics educators Ramona Nelson and Nancy Staggers with new lead author Lynda R. Hardy to prepare you for success in today's technology-filled healthcare practice. Concise coverage includes information systems and applications such as electronic health records, clinical decision support, telehealth, mHealth, ePatients and social media tools, as well as system implementation. New to this edition are topics that include analytical approaches to health informatics, increased information on FHIR and SMART on FHIR and the use of health informatics in pandemics. Chapters written by experts in the field provide the most current and accurate information on continually evolving subjects like evidence-based practice, EHRs, PHRs, mobile health, disaster recovery and simulation. Objectives, key terms and an abstract at the beginning of each chapter provide an overview of what each chapter will cover. Case studies and discussion questions at the end of each chapter encourage higher-level thinking that can be applied to real-world experiences. Conclusion and Future Directions discussion at the end of each chapter reinforces topics and expands on how the topic will continue to
