

ITEMPO Reporting Requirements

BLUF: Some commands believe that ITEMPO reporting is no longer required, but this is not true. Timely and accurate ITEMPO reporting is essential.

NAVADMIN [305/06](#) and [348/06](#) outlined ITEMPO Reporting Requirements: Commands must document Sailors turning away from their parent command on the ITEMPO reporting system via BUPERS Online. Navy's ITEMPO system provides a vehicle to enter and archive each Sailor's deployed events. ITEMPO also documents deployment history for those Sailors transitioning to the Navy Reserve - the basis for deferring involuntary mobilization for active members who affiliate with the reserves. Commands must review unit/individual deployment histories for all members assigned.

Zone C Perform-to-Serve Results

BLUF: Leaders – be *Brilliant on the Basics* and mentor Sailors impacted by PTS separations; make sure to meet PTS application deadlines for your Sailors.

Zone C PTS results have 67 Sailors being separated, but it's not the end of their Navy careers. They receive Involuntary Separation Pay if they serve 3 years in the Individual Ready Reserve (non-drillings). Since many E-5 Sailors in over-manned ratings have 'Must Promote' recommendations, joining the Selected Reserves (weekend drills) continues them toward a Navy retirement check; they are exempt from mobilizing for 2 years if affiliate with the USNR within 180 days of leaving active duty, and an affiliation bonus and advancement at or at a better pace than active duty is possible; there are higher HYT rates in the USNR; the GI Bill is available for immediate use; and they have possible rating conversion opportunities. Remember that Post 9/11 GI Bill transfers to spouses or children shown in DEERS must be done before leaving the Armed Services. These same benefits apply to those leaving due to Active Duty High Year Tenure limits.

—Apply for SOLRES quotas in PTS or talk to NPC's Career Transition Office, 901-874-4108 or CTO.enlisted@navy.mil.

—Also consider going Army with the Blue-to-Green program. For more information on this program visit www.army.com/366

Perform to Serve (PTS) and ASVAB

BLUF: Leaders are the guiding light to our Sailors' futures. Be proactive and be *Brilliant on the Basics* ... build the Navy leaders of tomorrow, today.

ASVAB scores are important in determining eligibility for rating conversions, are used in Fleet RIDE and PTS as qualifying factors. B2 to NAVSTA Everett for having Sailors take the Armed Forces Classification Test to improve ASVAB scores and open up other rating possibilities. Everett's CMC, CmdrCol Michael Schanche, says he's averaging an increased score between 25-30 points! This can get Sailors in a rating they like and help man our future Navy. Get involved in your Sailors' aspirations. Conduct CDBs, prep Sailors and get them retested to improve scores if needed and get PTS applications in on time. Read a related story on how a command can be proactive regarding ASVAB and PTS
