## **Nazi Gold Finding Rommel's Treasure:**

**Nazi Gold, Finding Rommel's Treasure** Ron Boubilil, 2015-02-05 This book is an historical account of what's become known as Rommel's treasure. By the time you finish reading it you will be able to distinguish between fact and fiction in the ongoing saga of the missing WWII gold from North Africa. It contains many untold pieces of the puzzle for anyone searching for the treasure and for those who want to know more about the people behind the story. *Mystery of Rommel's Gold* Peter Haining, 2006-08 The whereabouts of a stolen hoard of treasure known as Rommel's Gold is one of the most elusive and enduring mysteries of the Second World War. This fabulous cache mainly comprising gold ingots and believed to be worth millions of pounds was first heard of in 1941 following the German Blitzkrieg of Yugoslavia. Rumours have abounded regarding what actually happened to the missing gold and where it might be today. These include claims that it was seized by a renegade Panzer unit and hidden in the North African desert for reclamation after the war, that it was despatched to Germany as a gift for Hitler but never reached its destination, or that it was taken by Italian partisans who set sail for Corsica where their boat mysteriously sank just offshore. The *Mystery of Rommel's Gold* examines all the various theories tracking down the route taken by the missing treasure and reviewing the searches that have taken place over the last fifty years. This is the first book devoted to this fascinating story and mixes a dramatic war time tale of deceit, death, intrigue and greed with a mystery that continues to excite the imagination today. Conspiracy of Silence Peter Eton, James Leasor, 1960 **Peculiar Liaisons** John S. Craig, 2005 Presenting famous and infamous individuals and events that shocked the world and helped set the scene for today's history, this book illustrates how little is really known about some of the most dramatic and most studied events. Who motivated whom, how and why, and what counterplots and alternative scenarios may have been at play. Terrorism, the fomenting of revolution, undermining from within and trumped up events to spur a nation to go to war: these techniques are not new. The public's interest in certain personalities never seems to wane. Mata Hari, Gavrilo Princip, Sidney Reilly, T. E. Lawrence, Jimmy Doolittle, Hitler, Reinhard Heydrich and Lee Harvey Oswald among others. Each chapter presents two or three characters and elaborates on their lives and how they relate to historical events in the 20th century. The book starts with an incident in 1903 in the Balkans and moves chronologically forward to the assassination of JFK. Argosy for Men, 1962 **Film Review**, 1959 The year's releases in review with necrologies and brief articles. The Exhibitor, 1947 Some issues include separately paged sections: Better management, Physical theatre, extra profits, Review Service section. *Time*, 1941 *VideoHound's Golden Movie Retriever* Jim Craddock, 2004 Reviews movies that are available on DVD or tape. Each entry includes title, alternate title, one to four bone rating, year released, MPAA rating, brief review, length, format, country of origin, cast, technical personnel, awards and made for television/cable/video designations. *The Mystery of Rommel's Gold* Peter Haining, 2007-06-29 The whereabouts of a stolen hoard of treasure known as Rommel's Gold is one of the most elusive and enduring mysteries of the Second World War. Marshall,2017-09-15 Field Marshal Erwin Rommel s heroic opposition to Hitler in 1944 cost him his life In this intriguing well paced tale of a journalistic coup Marshall the first to discover the real events behind Rommel s death tells how he learned the facts from Rommel s widow and delves into the great general s background and death He arrived at his conclusions based on his intimate knowledge of men on Rommel s staff and his access to Rommel s papers including letters from the general to his wife Here for the first time in paperback is the exciting story of how the world learned about the way the Desert Fox met his death *Nazi Gold* Norbert Waldroop,2015-10-08 *Nazi Gold The Plunder of Europe and the Conspiracy to Keep the Spoils* examines the flow of stolen treasure into and out of Nazi Germany *Documentary* Joseph Sprouse,2010-10 2nd Lt Peter Bonano Pete is awestruck by what lay before him It was Thursday afternoon May 24 1945 sixteen days after Germany surrendered A fortune in gold and silver bullion and coins along with a huge stockpile of currencies from several nations including US currencies was arranged on the polished floors of a heavily guarded large gymnasium inside an isolated log building in the vicinity of Bad Tolz Germany He had been transported to this place from Erlangen Germany by two 3rd Army OSS Office of Strategic Services officers from General Patton s headquarters in Regensburg On the 23rd one day earlier the two OSS officers had with them a TDY Temporary Duty order for Lt Bonano The Special Order dated May 23 1945 was signed by the Commander of the the Third US Army Gen George Patton Jr Major Haensel the OSS officer in charge of the cache told Pete that he was to make a cursory inventory of the contents of cache after which he would be in charge of a special convoy to deliver this to safe quarters He was also told that Pete would be confined to this building until the inventory was completed The strangeness of this assignment continued to grow with each new day However the most startling aspect

of this mission was that after making a cursory inventory of the captured Nazi loot he was placed in charge of a secret convoy to deliver this treasure to a new location To Pete s surprise amazement the new location turned out to be an isolated castle on the Nekar River which was occupied and guarded by OSS operatives The author with whom Pete confided concluded after intensive investigation that this was an OSS Sting operation which was clandestinely facilitated by General Patton This documentary follows America s greatest General George Patton Jr from 1940 to Dec 1945 Patton s triumphs and ordeals from North Africa and Sicily including infamous slapping incidents which the author contends drastically changed world history It is also a heart warming story about a Los Angeles draftee who rose in rank from Private to 2nd Lieutenant and who in the waning days of his five years in the Army became embroiled in an intriguing OSS Nazi Gold adventure The story follows Patton from Normandy to the eastern borders of Nazi Germany covering major events such as Charles de Gaulle rescuing Paris and France from communism and a chattel in Roosevelt s New World Order Montgomery s ill fated Market Garden the Battle of Bastogne Crossing the Rhine the Hammelburg incident and the discovery of the Nazi loot hidden in the saltmines at Merkers on the same day that FDR dies at Warm Springs Georgia Eighteen days later Hitler commits suicide with the war petering out over the following eight days However life remained volatile for Patton as he facilitated a rogue OSS Nazi gold operation an operation which as intended would have been a nonevent if Peter Bonano who was involved at the insistence of Patton and who maintained a meticulous set of records had not been included in the operation The story concludes with the stage being set by Patton s new enemies the progressive left led by Secretary of Treasury Henry Morgenthau which ultimately ended with the firing of Patton as the commander of the Third Army and shortly thereafter his death in Heidelberg
