**Renaissance Lawman** Martin Alan Greenberg, 2020-02-03 Renaissance Lawman The Education and Deeds of Eliot H Lumbard details the life education and public service career of Eliot Howland Lumbard A lawyer who most of his life lived and worked in Manhattan and whose legal career spanned more than fifty years beginning in the early 1950s Lumbard is easily identified as a renaissance lawman for having gained considerable expertise in the operations of the political and justice systems and for proceeding to capitalize on this knowledge to become both an advocate and initiator of progressive reforms for criminal justice His contributions on behalf of public safety have been largely forgotten but throughout this intriguing biography Martin Alan Greenberg successfully juxtaposes many of Lumbard s professional activities with many of the major historical developments and challenges of his time The chronicled events emphasize what motivated the people in his generation to behave as they did since the world today is a much different place than what Americans were experiencing in the first three decades after WW II Cultural and technological changes have combined to make our present day world quite different from over a half century ago Renaissance Lawman proves to be especially rewarding to a wide range of readers interested in police work criminal justice history public service leadership and legal ethics There are no other comparable books on the market Lumbard certainly had a unique legal career and his impactful contributions have seldom if ever been duplicated even if his contributions on behalf of public safety have been largely forgotten
