Don't Let Go Michel Bussi, 2018-10-23 From the bestselling author of After the Crash a novel so extraordinary it reminded me of reading Stieg Larsson for the first time The Sunday Times Holidaying in an idyllic resort on the island of Réunion wealthy Parisians Martial and Liane Bellion are enjoying the perfect family moment with their six year old daughter Turquoise skies clear water palm trees a warm breeze Then Liane Bellion disappears from her hotel room The door to her room is open the walls and sheets are spotted with blood A hotel employee swears he saw Martial in the corridor at the time Liane went missing and he becomes the number one suspect But then Martial also disappears along with his daughter An all out manhunt is declared across the island Could Martial really have killed his wife For fans of Gone Girl and The Fugitive Bussi's fast paced atmospheric thriller does not disappoint A nail biter of a manhunt across the spectacular terrain of the Indian Ocean island of Réunion drives this thriller after a tourist goes missing triggering a police chase and exposing a cannily constructed mystery with nods to both Agatha Christie and Harlan Coben The Boston Globe Suspenseful vengeance proves a common passion on Réunion as detailed in this twist filled novel told from several characters perspectives The Wall Street Journal This novel a multi characterized French whodunit squeezes all its frantic action into the 25 square miles of gorgeous but treacherous Réunion Island Toronto Star A top notch puzzle A wonderfully immersive thriller Booklist
