Small Things Considered Henry Petroski,2007-12-18 Why has the durable paper shopping bag been largely replaced by its flimsy plastic counterpart What circuitous chain of improvements led to such innovations as the automobile cup holder and the swiveling vegetable peeler With the same relentless curiosity and lucid witty prose he brought to his earlier books Henry Petroski looks at some of our most familiar objects and reveals that they are in fact works in progress For there can never be an end to the quest for the perfect design To illustrate his thesis Petroski tells the story of the paper drinking cup

which owes its popularity to the discovery that water glasses could carry germs He pays tribute to the little plastic tripod that keeps pizza from sticking to the box and analyzes the numerical layouts of telephones and handheld calculators Small Things Considered is Petroski at his most trenchant and provocative casting his eye not only on everyday artifacts but on their users as well **Official Gazette of the United States Patent and Trademark Office** ,2004 Fatal Catch Pauline Rowson,2015-12-20 Trust no one Believe nothing DI Andy Horton is called out to examine a gruesome catch by two fishermen a human hand Is it that of missing violent criminal Alfie Wright or is he the killer And where is the rest of the corpse Soon Horton finds himself immersed in a complex case where everyone has a reason to lie and no one is who they seem Assailed by doubts both in his personal and professional life Horton desperately tries to keep his emotional feelings under control and his focus on his work His instincts tell him to trust no one and believe nothing he s not sure though whether this time he ll succeed *The Vanishing Point* Elizabeth Brundage,2021-05-18 From the author of the wrenching and exhilarating All Things Cease to Appear comes a gripping literary thriller about a man reckoning with the mysterious death of his former roommate Wall Street Journal Julian Ladd and Rye Adler cross paths as photography students in the exclusive Brodsky Workshop When Rye needs a roommate Julian moves in and a quiet compulsive envy takes root assuring at least in his own mind that he will never achieve Rye s certain success Both men are fascinated with their beautiful and talented classmate Magda whose captivating images of her Polish neighborhood set her apart and each will come to know her intimately a woman neither can possess and only one can love Twenty years later long after their paths diverge Rye is at the top of his field famous for his photographs of celebrities and far removed from the downtrodden and disenfranchised subjects who d secured his reputation as the eye of his generation When Magda reenters his life asking for help only he can give Rye finds himself in a broken landscape of street people and addicts forcing him to reckon with the artist he once was until his search for a missing boy becomes his own desperate fight to survive Months later when Julian discovers Rye s obituary the paper makes it sound like a suicide Despite himself Julian attends the funeral where there is no casket and no body This sudden reentry into a world he thought he left behind forces Julian to question not only Rye s death but the very foundations of his life In this eerie and evocative novel Elizabeth Brundage establishes herself as one of the premiere authors of literary fiction at work today **The Story of Upfront Carbon** Lloyd Alter,2024-05-21 When you look at the world through the lens of upfront carbon everything changes The astonishing upfront carbon of everyday objects from coffee cups to heat pumps and why electric bikes not electric cars are the answer Think that buying an electric car or switching to a heat pump is going to save the planet Think again Upfront carbon refers to all emissions involved in making your car your home or any other item These invisible embodied carbon emissions matter a lot As we weed out fossils fuels and incorporate more renewables into our energy supply upfront carbon becomes increasingly dominant compared to operating emissions yet it is often ignored By focusing on consumption rather than production The Story of Upfront Carbon covers Why we are fixated on energy efficiency
