**Installation** Merton W. Bunker, Jr., Richard J. Roux, 2006 Fully updated to reflect the provisions of the 2007 National Fire Alarm Code NFPA 72 and the 2005 National Electrical Code NFPA 70 this brand new edition provides all the information you need to design install or maintain fire alarm systems It has been reorganized to follow the order of topics presented within the NAFC and includes updated requirements for power supplies survivability and spacing of detectors and notification appliances The Bialy Pimps Johnny B. Truant, Life is good at Bingham s Bagel Deli The loathed customers are dealt the poor treatment they seem to deserve bad rap music is played loudly and The Rat is killed often enough to stem his immortality And the insane homeless regulars like drunken Little Johnny Redbeard keep life interesting When a rival tricks the crew into thinking that the deli s closure is imminent they do the only logical thing instead of giving up they decide to go out in a blaze of glory handing their customers the humiliation and abuse that the pesky social contract had previously forbidden But as insults turn to assaults and snide remarks turn to harassment and pro wrestling moves a strange thing happens Business goes up way up as people come back in droves begging for more But the flame that burns twice as bright

burns half as long and as pop culture welcomes the parody musical group The Bialy Pimps and its frivolous merchandising machine and as the crew pushes to see how much bad behavior society will accept the violent road to fame begins to feel like a runaway train out of control and headed for destruction The Bialy Pimps is a tale that could only be spun by the twisted vaguely profane mind of outspoken blogger Johnny B Truant Combining hilarity with questions about conformity and whether the tail or the dog is the one doing the wagging this story can t help but raise a question for the reader If the rest of your friends decided to submit to the Face Kicking Machine would you do it too **Monthly Catalogue, United States Public**
