P. Moreland, William Lane Craig, 2017-10-10 This comprehensive and award winning orientation to Christian philosophical foundations is now updated and expanded in a second edition including enhanced arguments updated bibliographies and new chapters on atonement and the mind body problem This textbook from Moreland and Craig two leaders in the field is the keystone in any library of Christian philosophy **The God Question** J. P. Moreland, 2021-10-12 What difference does believing in God really make Philosopher J P Moreland helps us see the Christian story its reasonableness and its relevance in fresh ways For anyone wrestling with big questions about life and faith this book explores evidence for God's existence the reliability of the Gospels essentials of a flourishing Christian life and more

Philosophical Foundations Friedrich Julius Stahl, 2022-01-12 Philosophical Foundations is an introduction to the philosophy of law but it also furnishes the foundations for a Christian philosophy In this ethically discombobulated time it provides us with the metaphysical and ethical tools to slash our way through the wilderness of ideologies and power craving opinions which threaten to overwhelm civilization Indeed a solid metaphysical and ethical framework is the crying need of our age and the indispensable presupposition for the various arts and sciences that make up the encyclopedia circle of learning The most basic datum such a framework can provide is very simply the either or of a personal God from Whom all things originated or an ultimate reality that is impersonal That is the starting point for inquiry And it cannot be the case that the decision for an impersonal ultimate reality is a requirement for science Functional atheism can be no requirement for participation either in academia or in public life and policymaking Is science truly science that ignores the most basic fact of existence the existence of God It cannot be so If there were a God and He created the world should that not be accepted because it is unscientific If reason really did not carry the world in itself and could not find the world out by itself would it nevertheless have to remove the world from itself because that alone would be scientific One might just as well require on the basis of science that man should not be born but rather should exist from eternity or that man should feed himself from himself without food or that the eye should see of itself without objects and their impressions from outside Scientificness demands that you be gods but the fact is that you are only human do you have to comply with scientificness Is it the trick to explain the world without God in and for itself regardless of whether the explanation is sufficient is this the essence and the

glory of the scientific character It is no subjection of science to authority if one expects of it that its knowledge should correspond to the object No natural scientist will want to avoid the fact that his teaching must pass the test of the phenomena of nature and yet the philosopher should have the privilege of his teaching merely being seen as logically consistent in order to be considered true even if contradicted by all the facts even if it leaves the great object it is supposed to solve untouched The proof of the pudding is in the eating for the Christian worldview is the only key that unlocks the riddle of life the only explanation of the otherwise unfathomable reality in which we live Christianity and Literature David Lyle Jeffrey, Gregory Maillet, 2011-03-15 What has Jesus Christ to do with English literature ask David Lyle Jeffrey and Gregory Maillet in this insightful survey First and foremost they reply many of the world s best authors of literature in English were formed for better or worse by the Christian tradition Then too many of the most recognized aesthetic literary forms derive from biblical exemplars And finally many great works of literature demand of readers evaluative judgments of the good the true and the beautiful that can only rightly be understood within a Christian worldview In this book Jeffrey and Maillet offer a feast of theoretical and practical discernment After an examination of literature and truth theological aesthetics and the literary character of the Bible they turn to a brief survey of literature from medieval times to the present highlighting distinctively Christian themes and judgments In a concluding chapter they suggest a path for budding literary critics through the current state of literary studies Here is a must read for all who are interested in a Christian perspective on literary studies Three Views on Creation and Evolution James Porter Moreland, John Mark Reynolds, 1999 Three views on creation and evolution are presented in this popular format whereby the contributors provide their own articles and respond to those of their peers An Introduction to Christian Worldview Tawa J. Anderson, W. Michael Clark, David K. Naugle, 2017-10-10 Why do worldviews matter What characterizes a Christian worldview Part of being a thoughtful Christian means being able to understand and express the Christian worldview as well as developing an awareness of the variety of worldviews Well organized clearly written and featuring aids for learning this is the essential text for either the classroom or Philosophy Made Slightly Less Difficult Garrett J. DeWeese, J. P. Moreland, 2021-03-16 Philosophy is for self study thinking critically about questions that matter But many people find philosophy intimidating so they never discover how it can help them engage ideas culture and even their faith In this second edition of a classic text Garrett DeWeese and J P Moreland use straightforward language with plenty of everyday examples to help to make philosophy a little less difficult Body & Soul J. P. Moreland, Scott B. Rae, 2000-03-24 The rise of science has called into question the existence of the soul and even many Christian intellectuals view the soul as an outdated and unbiblical concept J P Moreland and Scott B Rae present a vigorous philosophical and ethical defense of human nature as body and soul examining Christian dualism as it impinges on critical ethical concerns "Truth and Proof for the Christian Worldview" A Comprehensive Summary of

Christian Apologetics Kelly J. Walters, 2022-11-22 Why is there something rather than nothing That's the quintessential

philosophical question in mankind s search not only for the existence of the universe but also for the existence meaning and purpose of life That question forms the essence for this informative and enlightening book in which author Dr Kelly J Walters reveals both the answer Jesus Christ and the abundant evidential proof Everyone longs to know the answers to universally profound questions like Is God real or What is the true creation story of the universe and of humankind or Is there an afterlife These questions are vast extreme and complex While there are many theories the ultimate empirical and factual answers are impossible to definitively prove for both theist and naturalistic scientism alike Both sides require faith In Truth and Proof for the Christian Worldview Dr Walters offers evidence and rational proof defending the one position that provides the best logical experiential and noncontradictory answer for all the above questions Christianity Atheist turned Christian Dr Walters delves into this convincing evidence providing an organized and scholarly summary and presentation of the detailed research available for Christian apologetics He teaches on a plethora of topics including comparative religion worldviews key logical arguments and formal proofs for God the origins of the universe and life evolution and creationism theories who is Jesus Christ what is true Christianity and more The evidence related to these theological and scientific topics rationally serve to defend clarify and prove the truth for the reality of the one true God of the Bible as creator of the universe and life

Kingdom Triangle J. P. Moreland, 2009-07-22 J P Moreland Christian philosopher theologian and apologist issues a call to recapture the drama and power of kingdom living to cultivate a revolution of Evangelical life spirituality thought and Spirit led power Drawing insights from the early church he unpacks three essential ingredients of this revolution Recovery of the Christian mind Renovation of Christian spirituality Restoration of the power of the Holy Spirit Western society is in crisis the result of our culture s embrace of naturalism and postmodernism and a biblical worldview has been pushed to the margins Christians have been strongly influenced by these trends with the result that their personal lives often reflect the surrounding culture more than the way of Christ and the church's transforming influence on society has waned as a result Kingdom Triangle is divided into two major sections The first examines and provides a critique of secular worldviews and shows how they have ushered in the current societal crisis The second lays out a strategy for the Christian community to regain the potency of kingdom life and influence in the world Moreland believes that evangelical Christianity can mature and lead the surrounding society out of the meaningless morass it finds itself in with humility and vision With clear insight he puts the thoughtful Christian in a position to understand our current cultural struggle and to return to a responsible presentation of the way of Christ as not just a way of right living but also a way of knowledge and meaningful life The **Essence of the Christian Worldview** Matt DeLockery, 2021-04-28 Every group within Christianity has its own opinions on what Christianity really is But who s right if anyone With the letter to the Colossians we have an opportunity to find an answer Paul compares Christianity to another worldview and argues that Christianity is better This book uses that comparison in order to understand Paul s Christian worldview In this book you will also find answers to some very difficult

questions 1 What is God's ultimate purpose for humanity 2 Do we just do things because God told us to 3 Why does Paul tell wives to obey their husbands 4 Why does Paul tell slaves to obey their masters 5 Why does God care what we do at all 6 Why does God command these particular actions 7 Why would we want to follow God s commands anyway 8 How does following God's commands actually make us better people Christianity is the point at which God acted through Christ to fix what was wrong with creation and bring the whole story to a different conclusion In this book you will see the big picture of Christianity and how all the dots connect from start to finish The Lazy Approach to Evangelism Eric Hernandez, 2023-07-17 Unfortunately the biblical command of apologetics in evangelism is often neglected and misunderstood within our churches today Some think it s optional others assume it s merely arguing with nonbelievers while others outright deny its pragmatic not to mention biblical application As a result the church has become a largely irrelevant ignorable institution within the public sphere of ideas But this need not be the case Rather than learn new gospel presentations we must learn how to have gospel conversations Evangelism doesn t have to be intimidating or difficult but in a growing culture of doubt it must be effective That is the aim of this book To equip you with the tools necessary for initiating and navigating fruitful conversations with nonbelievers in a secular society This is the role of apologetics in evangelism This is an act of worship as disciples of Jesus This is spiritual warfare This is The Lazy Approach to Evangelism Christian Worldview David S. Dockery, Gregory Alan Thornbury, 2002 Shaping a Christian Worldview presents a collection of essays that address the key issues facing the future of Christian higher education With contributions from key players in the field this book addresses the critical issues for Christian institutions of various traditions as the new century begins to leave its indelible mark on education **Inerrancy and the Spiritual Formation of Younger Evangelicals** Carlos R. Bovell, 2007-03-01 In Inerrancy and the Spiritual Formation of Younger Evangelicals readers are urged to consider their pastoral responsibilities toward students Evangelical leaders and teachers in particular should be more sensitive to the fact that not all younger evangelicals are convinced of the Bible's inerrancy Some are earnestly searching for an orthodox alternative but in the process becoming spiritually unravelled As responsible shepherds of God's people evangelical leaders must better understand the negative effect of presenting inerrancy as a doctrine crucial for faith Worldviews and the *Problem of Evil* Ronnie P. Campbell, Jr., 2019-08-14 How does the Christian response to the problem of evil contrast with that of other worldviews Most attempts at answering the problem of evil either present a straightforward account of the truth claims of Christianity or defend a minimalist concept of God This book is different Inside you ll examine four worldviews responses to the problem of evil Then you ll hear the author's argument that Christian theism makes better sense of the phenomenon of evil in the world equipping you to reach an informed conclusion This book s unique approach integrating worldviews with apologetics with theology will give you a better understanding of the debate surrounding the problem of evil in both philosophy and theology Learn to think cogently and theologically about the problem of evil and Christianity's ability

Anderson,2021-07-09 Why Believe provides accessible explanations of several core concerns of apologetics from arguments for the existence of God and the validity of Christ's resurrection to common questions about the practice of faith Why I Became an Atheist John W. Loftus,2012-10-10 For about two decades John W Loftus was a devout evangelical Christian an ordained minister of the Church of Christ and an ardent apologist for Christianity With three degrees in philosophy theology and philosophy of religion he was adept at using rational argumentation to defend the faith But over the years doubts about the credibility of key Christian tenets began to creep into his thinking By the late 1990s he experienced a full blown crisis of faith In this honest appraisal of his journey from believer to atheist the author carefully explains the experiences and the reasoning process that led him to reject religious belief The original edition of this book was published in 2006 and reissued in 2008 Since that time Loftus has received a good deal of critical feedback from Christians and skeptics alike In this revised and expanded edition the author addresses criticisms of the original adds new argumentation and references and refines his presentation For every issue he succinctly summarizes the various points of view and provides references for further reading In conclusion he describes the implications of life without belief in God some liberating some sobering This frank critique of Christian belief from a former insider will interest freethinkers as well as anyone with doubts about the claims of religion

Stand Your Ground Dean Hardy,2007-04-01 My freshman year of college was a battle writes Katie a college student and a strong Christian The transition from high school to college is one of the most pivotal times in a young person s life After departing from under the protective wings of their parents young adults often have trouble holding firm to the Christian faith Stand Your Ground is an introduction to apologetics for young adults in high school or college The book includes thirteen chapters that confront the overwhelming intellectual attacks Christian college students face on university campuses Dean Hardy takes readers on a spiritual and intellectual journey addressing such issues as the nature of truth and reality the investigation of other worldviews the evidence for Christianity critics arguments against Christianity and the relationship between apologetics and evangelism
