Epistemology Robert M. Martin,2014-07-01 How do you know what you know Epistemology is the philosophical study of knowledge Without knowledge scientific enquiry is meaningless and we can't begin to analyse the world around us What is knowledge How do you know you are not dreaming Should we trust our senses Presuming no prior experience of philosophy this book covers everything in the topic from scepticism and possible worlds to Kant's transcendentalism Clear and readable Epistemology A Beginner's Guide is essential reading for students and aspiring thinkers **A Beginner's Guide to Philosophy** Dominique Janicaud,2010-02-15 A primer on western philosophy covers a wide range of thinkers and topics from Plato and Aristotle to the existence of God and the question of freedom **Ancient Philosophy** William J. Prior,2016-04-21 Philosophers didn't always busy themselves with life's big questions The earliest ancient philosophers were primarily concerned with the world of nature including phenomena such as earthquakes and eclipses But one enigmatic Greek named Socrates began to explore abstract ideas about human existence What makes us happy What is the nature of the soul And what is our purpose in this universe Professor William Prior elegantly guides readers through philosophy's formative years and key ancient texts Organised into four themes nature reality the soul and ethics Ancient Philosophy A Beginner's Guide is a lively introduction to the great thinkers who still send our minds reeling today **Medieval Philosophy** Sharon M. Kaye,2012-12-01 An engaging and authoritative introduction to this hugely influential era in the history of philosophy Why do good things happen to bad people Can we prove whether God exists What is the difference between right and wrong Medieval Philosophers were centrally concerned with such questions questions which are as relevant today as a thousand years ago when the likes of Anselm and Aquinas sought to resolve them In this fast paced enlightening guide Sharon M Kaye takes us on a whistle stop tour of medieval philosophy revealing the debt it owes to Aristotle and Plato and showing how medieval thought is still inspiring philosophers and thinkers today With new translations of numerous key extracts Kaye directly introduces the reader to the philosophers writings and the criticisms levied against them Including helpful textboxes throughout the book detailing key thinkers this is an entertaining and comprehensive primer for students and general readers alike **Karate: The Ultimate Beginners Guide to Mastering Karate (A Comprehensive Guide to Karate Techniques for Beginners Wanting to Go From Basics to Black Belt)** Kevin Salyers,101-01-01 The strategy of karate is based on principle what practitioners do to prepare for contact with an adversary while tactics are what we do during the heat of battle Practicing a martial art from tactics upward to principles creates a house of cards that will collapse from a gentle breeze

whereas working downward from principles into tactics builds a formidable foundation that can weather near any storm These ten principles are style agnostic all about ending fights immediately They define how to best apply your skills and training in the real world Those who work with these principles will find swiftness clarity and victory in so doing What you will learn in the ultimate guide to starting karate What is karate Where was karate invented and who invented it How fit do i need to be to start training What do you do in a typical karate class How do you research you karate gym to make sure they are legitimate Will i be sparring or undergoing other contact fighting What should i wear to train in What is karate training like How quickly can i get a black belt Are you eager to learn karate Do you want clear guidance on the tips tricks and techniques that can transform you from a novice to a pro Look no further because this book is for you Dive into a world where over 100 detailed illustrations and comprehensive instructions will guide you every step of the way Whether you re just starting or looking to refine your skills this guide is designed to help you understand and master karate fundamentals
