Stepień, 2020-11-01 Can literature reveal reality Is philosophical truth a literary artifice How does the way we think affect what we can know Buddhism has been grappling with these questions for centuries and this book attempts to answer them by exploring the relationship between literature and philosophy across the classical and contemporary Buddhist worlds of India Tibet China Japan Korea and North America Written by leading scholars the book examines literary texts composed over two millennia ranging in form from lyric verse narrative poetry panegyric hymn and koan to novel hagiography secret autobiography autofiction treatise and sutra all in sustained conversation with topics in metaphysics ethics aesthetics and the philosophies of mind language literature and religion Interdisciplinary and cross cultural this book deliberately works across and against the boundaries separating three mainstays of humanistic pursuit literature philosophy and religion by focusing on the multiple relationships at play between content and form in works drawn from a truly diverse range of philosophical schools literary genres religious cultures and historical eras Overall the book calls into question the very ways in which we do philosophy study literature and think about religious texts It shows that Buddhist thought provides sophisticated responses to some of the perennial problems regarding how we find create and apply meaning on the page in the mind and throughout our lives     The Problem of God S.H. Smith, 2014-06-03 The Problem of God falls into two equal parts The first of these deals with the traditional theistic arguments for Gods existence ontological cosmological teleological experiential moral

exploring the extent to which they succeed as rational arguments On the assumption that the God of traditional theism does exist the second part addresses the problems posed by his traditional attributes his eternity omnipotence omniscience omnipresence and role as creator The aim of the book is to encourage the reader to engage with problems that are too often overlooked **The Cambridge Handbook of Religious Epistemology** Jonathan Fuqua, John Greco, Tyler

McNabb, 2023-08-17 The first handbook on the topic of religious epistemology introduces and discusses topics fundamental to the epistemology of religious belief **Routledge A Level Religious Studies** Jon Mayled, Jill Oliphant, Sam

greatest mystery of all How do we find ourselves existing let alone enveloped in a cosmos enriched with such order and complexity For religious philosophers despite the incredible advances of modern physics we are no closer to a scientific explanation of where the universe came from God they affirm is the best solution to the mystery Yet there are those who call for patience The new atheists remind us that science has a habit of explaining what was once unexplainable In the meantime we should not delude ourselves into contentment Religion they say is the opium of the people and the enemy of progress In fact God may be the nastiest idea in human history This book is a short engaging and accessible guide to the mystery of existence Featuring remastered interviews and original essays from the world's most influential and respected thinkers **Philosophers on God** explores the most fascinating and innovative research in all of philosophy and science In doing so it sheds new light on the nature purpose and ultimate destination of our universe Contributors Susan Blackmore William Lane Craig Richard Dawkins Daniel Dennett Daniel J Hill Jessica Frazier Silvia Jonas Asha Lancaster Thomas Stephen Law Casey Logue Yujin Nagasawa Richard Swinburne Jack Symes Mohammad Saleh Zarepour **Pragmatic Pluralism and the**

**Problem of God** Sami Pihlström, 2013-04 The book is a study of pragmatism and pragmatic pluralism in the philosophy of religion Through critical examinations of James's Dewey's and recent neopragmatists ideas it argues that key issues in the field including the debate between evidentialism and fideism and the problem of evil need rearticulation from a pragmatic pluralistic perspective **Problems of Faith** S.H. Smith, 2014-07-11 The material here was originally intended as a third

section in Smith's previous offering *The Problem of God* but took on a life of its own to become a separate work *The Problem of Faith* is thus a sequel to the former work and deals with those questions with which all thinking believers wrestle: the nature of religious language, evil and the God of love, the concept of miracles and of prayer, the relationship between faith and reason, life after death and the problem of hell. The aim is to encourage the reader to engage afresh with these essential issues.

**Handbook for Academic Authors** Beth Luey, 2022-03-09 Whether you are a faculty member, a librarian, an independent scholar, the junior member of a research team, or a writer outside academia, *Handbook for Academic Authors* will help you select the right publisher, submit a winning proposal, negotiate a favorable contract, and work with your editor to ensure your research reaches the largest possible audience. The book provides advice on writing for different audiences and managing the mechanics of authorship, including manuscript preparation, acquiring illustrations, proofreading, and indexing. To address the major changes in scholarly publishing over the last decade, the sixth edition has been revised and updated to include discussions about open access and digital publishing, the use of social media as a marketing tool, changes within academia, and concerns of new entrants into academia. Written in a personalized, accessible style, *Handbook for Academic Authors* offers sound advice and encouragement to a wide range of aspiring academic authors.

**A Universe From Someone** Peter S. Williams, 2022-10-27 After a substantial author's preface recounting Peter S. Williams's life journey with the question of God's existence, *A Universe From Someone* pulls together essays and opening speeches from debates, including the 2011 "God is not a delusion" debate at the Cambridge Union, that jointly cover a wide variety of theistic arguments. Together with a foreword by noted philosopher J. P. Moreland and an annotated bibliography highlighting four dozen key resources on apologetics and natural theology in an age of science and other recommended resources, *A Universe From Someone* offers an informed overview of the contemporary case for God.

**Rethinking Fundamental Theology** Gerald O'Collins, 2011-05-27 This book identifies the distinguishing features of fundamental theology as distinct from philosophical theology, natural theology, apologetics, and other similar disciplines. Addressing the potential for confusion about basic Christian claims and beliefs, Gerald O'Collins sets out to relaunch fundamental theology as a discipline by presenting a coherent vision of basic theological questions and positions that lay the ground for work in specific areas of systematic theology. *Rethinking Fundamental Theology* examines central theological questions about God, human experience, and specifically religious experience: the divine revelation coming through the history of Israel and through the life, death, and resurrection of Jesus; human faith that responds to revelation; the nature of tradition that transmits the record and reality of revelation; the structure of biblical inspiration and truth, as well as basic issues concerned with the formation of the canon, the founding of the Church, with some leadership structures, the relationship between Christ's revelation and the faith of those who follow, other religions. O'Collins concludes with some reflections on theological method. Written with the scholarship and accessibility for which O'Collins is known and valued, this book will relaunch fundamental theology as a distinct and

necessary discipline in faculties and departments of theology and religious studies around the world      *Reason in the Service of Faith* Paul Helm,2023-03-01 Paul Helm is a distinguished philosopher with particular interests in the philosophy of religion His work covers some of the most important aspects of the field as it has developed in the last thirty years with particular contributions to metaphysics religious epistemology and philosophical theology In celebration of Helm s life s work *Reason in the Service of Faith* brings together a range of his essays which reflect these central concerns of his thought Over thirty of Helm s selected essays and four unpublished articles are gathered into five parts Metaphilosophical Issues Action Change and Personal Identity Epistemology God and Creation Providence and Prayer The volume is prefaced with a short editorial introduction and ends with an extensive bibliography of Helm s published works Demonstrating the important connection between Helm s theological and philosophical interests across his body of work this collection is a remarkable resource for scholars of religion philosophy and theology      God, Eternity, and Time Christian Tapp,Edmund Runggaldier,2011-01-01 An outstanding group of American UK German Austrian and Swiss philosophers and theologians discuss the problem of God s relation to time Their contributions range from analyzing and defending classical conceptions of eternity Boethius s and Aquinas s to vindicating everlastingness accounts and from the foreknowledge problem to Einstein s Special Theory of Relativity The books highest aim is to deepen our understanding of religious faith by surveying its relations to one of the most fundamental aspects of reality time      *Philosophy of Religion* William Lane Craig,2001 This combined anthology and guide aims to bring to the student the very best of cutting edge work on important topics in the field The anthology is comprised of six sections each of which opens with a substantive introductory essay followed by a selection of influential writings by philosophers of religion      **OCR Religious Ethics for AS and A2** Jill Oliphant,2010-11 Written by experienced teachers and A level examiners this textbook covers the key modules of the OCR Religious Studies syllabus

**Exploring Philosophy of Religion** Steven M. Cahn,2016 In this remarkably accessible concise and engaging introduction to the philosophy of religion Steven M Cahn brings together a rich and balanced collection of sixty six classic and contemporary readings This unique anthology features a clear well organized structure and careful editing of many articles in order to sharpen their focus and make them understandable to students with little or no background in philosophy The book also reflects the importance of women s contributions to the field 40% of the contemporary readings are by women In addition topics often minimized in other collections are covered in more depth here including forgiveness and love ritual prayer and worship gender speaking of God and the afterlife
