A World of Work Ilana M. Gershon, 2015-11-25 Ever wondered what it would be like to be a street magician in Paris A fish farmer in Norway A costume designer in Bollywood This playful and accessible look at different types of work around the world delivers a wealth of information and advice about a wide array of jobs and professions The value of this book is twofold For young people or middle aged people who are undecided about their career paths and feel constrained in their choices A World of Work offers an expansive vision For ethnographers this book offers an excellent example of using the practical details of everyday life to

works for most of the world's people Gordon Mathews's intimate portrayal of the building's polyethnic residents lays bare their intricate connections to the international circulation of goods money and ideas We come to understand the day to day realities of globalization through the stories of entrepreneurs from Africa carting cell phones in their luggage to sell back home and temporary workers from South Asia struggling to earn money to bring to their families And we see that this so called ghetto which inspires fear in many of Hong Kong's other residents despite its low crime rate is not a place of darkness and desperation but a beacon of hope Gordon Mathews's compendium of riveting stories enthralls and instructs in equal measure making Ghetto at the Center of the World not just a fascinating tour of a singular place but also a peek into the future of life on our shrinking planet **The Reform Advocate** ,1921 Everyday Life in Global Morocco Rachel
