Phone Repair Near Me:

Introduction to Human-Computer Interaction Kasper Hornbæk, Per Ola Kristensson, Antti Oulasvirta, 2025-06-06 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence. It is free to read on the Oxford Academic platform and offered as a free PDF download from OUP and selected open access locations. Aimed at undergraduate students in computer science design and engineering programs and master students in dedicated programs, this is the first comprehensive textbook for students of human computer interaction. While HCI is primarily a research-driven field, the book focuses not only on scientific principles of interaction but also on the very concrete goal of designing better computing systems. The book revises and synthesizes topics that have been previously scattered across multiple books and papers, including design engineering, empirical methods, and technology. Although it covers emerging topics like VR and AI, the book places its emphasis on the more time-enduring principles and methods. The book is open access and comes with associated materials for teachers and students available on the book's companion website.

Anytime Sarah Sprinz, 2025-01-16 Sarah Sprinz creates a world that I enjoyed getting lost in. If Dunbridge Academy is taking applications, let me know. ANNA TODD: One single night turns Olive Henderson's whole life upside down. After a devastating fire at Dunbridge Academy, severe injuries force her to retake a year on her own without her best friends, who are about to embark on their A levels. And that's without the added frustration of new student Colin Fantino. Determined to hate everything at Dunbridge, the young New Yorker would rather be anywhere else than in this Scottish exile. But then Olive starts to look underneath the surface, and with every crack in Colin's tough shell, she feels more and more attracted to him. Until she discovers the true reason for his sudden departure from New York. Discover the new heart-pounding romance series that's perfect for anyone who loves Hannah Grace, Elsie Silver, and LJ Shen. I am absolutely obsessed with this book. 5 reader review: I laughed and I cried. 5 reader review: Incredible, I couldn't put it down. 5 reader review: By Way of Paris Christopher J. Newman, 2024-11-01 Luke's life in North Carolina sucks until things start to look up when he sets off for a writing program in London, spending the month before his course exploring Europe. But his dream trip quickly derails in Paris after he discovers a body at a party and is blackmailed into hiding the evidence. Arriving in London, Luke decides that crafting the perfect novel will help him overcome the Paris catastrophe. He befriends Shane, a gang leader, and shadows a band of criminals as research for his manuscript. Luke finds a family with the young gang, but this new world is filled with violence and toxic masculinity, which strains his academic career, eventually entangling him in the London underworld as he embarks on a slew of crimes, making dangerous enemies along the way. When friends start dying and detectives begin calling, Luke is forced back to France, realizing that he's not the hero of his own story. Searching for an ending that could free his friends from Shane, Luke wants to bring justice to the murder that happened by way of Paris.

new sexy standalone from 1 New York Times Bestseller Vi Keeland The first time I met Merrick Crawford was during my job interview Well technically I d met him twenty minutes earlier when he d barged into a fitting room a few doors down from my appointment I yelled He yelled After an argument while standing in my bra I proceeded to smash the door into the gorgeous jerk trying to yank it shut As you might imagine I was freaked out when I discovered that the rude guy was my potential new boss Yet he didn t seem to recognize me Or so I thought Until we wound up bickering again during my interview and he told me to go sniff my armpit Okay so maybe I hadn t exactly been changing when he walked in on me In my defense I d been stuck on a hot train for two hours and wanted to make sure I didn t smell I obviously didn t expect to get the job But somehow an invitation to a second interview arrived in my inbox Before I left I asked to see Merrick I needed to know why I was even in consideration after our disastrous start Turned out Merrick only wanted to hire me because I was the least competent candidate It seemed his board was making him fill the position against his wishes I didn t really want to work in a place where my boss expected me to fail But I figured maybe I d enjoy proving him wrong It was a little thing I dubbed the boss project What I wasn t prepared for was that there would be other things I d enjoy doing to Merrick Crawford Getting involved with the boss wasn t the smartest choice But you know what they say about choices Some we regret some we are proud of I just had no idea where this one was going to land **Love for Family, Friends, and Books** Aleksandra
