The whimsical pictures help to motivate students to learn through a variety of activities. These activities include tracing and writing, coloring, cutting and pasting, matching, and puzzles. Review pages are included as well as an awards page at the end of the book for added motivation. In this book, students will learn about unusual consonant sounds and their spellings and unusual vowel sounds other than long and short. Therefore, the teacher may want to give more initial instruction before presenting some of the pages. Students will learn the more unusual sounds of vowels, exceptions, and also the diacritical markings for their sounds. Berries Grade 3 C Phonics Ghina Khattab, 2008-05-07. Berries offers learners in elementary classes the opportunity to discover the joy in learning. It provides through fun and motivating activities all the basic skills for language learning. To that end, learners will be effectively engaged in a well-structured comprehensive program as they master listening, speaking, reading, writing, phonics, spelling, and critical thinking skills. Each of the learner's four books covers a range of components targeting the specific objectives of the respective language areas. Special care has been given to the choice of themes to guarantee motivation and encourage social interaction. Study skills and cross-curricular links are also integrated in the program, helping learners experience global education early on in their academic lives. Berries makes learning fun. *Phonics Book 3* Kathy Dickerson Crane, 2004-03-23. This three-book series helps students develop reading skills. Students review and practice phonemic awareness and alphabet recognition skills and work their way through more advanced phonics concepts including blends, digraphs, synonyms, and antonyms. Suitable for ELL and intervention programs.
